*"The Story Continues"*

*Welcome to this time of being with God and each other.*

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.  
 In Christ, there are no strangers, only new and wonderful people to meet each day!  
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary  
 or fill out a pew card and drop it in the offering plate.  
 Our pastor would be glad to call you or pay you a personal visit.  
 Just let us know as you sign in...and take a Welcome Packet, too!  
 Come back often. We care! We are open for faith! Affirming and open to all!*

**Helpful Worship Information**

***We're Glad You've Come.***

*This is a safe place, a sanctuary of worship and prayer,  
 comfort and justice-seeking for all God's people and all  
 are welcome here  
 ....just as you are.*

**Our church is a safe sanctuary for children..**

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

**Our children are invited to remain in worship with us.**

**We ask children be accompanied by an adult at all times throughout our morning together!**

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them.

**When your child (1<sup>st</sup> grade and under) is restless, when you are, when those around you are...**

you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this. Please return borrowed "goodies" to the cart after worship.

**Infant through 1<sup>st</sup> Grade Care**

is available all during worship down the stairs to the right to the "nursery."

**In the order of worship**, please note... the \* indicates times to stand as you are able.

**Today in Worship**

*We open our hearts and minds to the texts,  
 confronting the radical nature of God's wisdom.*

*"The Story Continues"*

**Today's Wisdom Teachings ...**

invite us to reflect upon what it is we really want and whether or not we are really willing to "come and see"! Often this requires we slow down, open up, and trust....in God and ourselves! We get to make meaning of our lives as we continue the telling of our stories within the Master Story of God's gracious love for all creation!

*Thanks for being here today!*

*In deepest gratitude, we give God thanks  
 for your presence with us in worship!*

**WARNING....**

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally.... any more than Jesus did, *but we DO* take it all seriously.

*As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.*

*As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.*

*God rejoices in your coming and meets you this morning in special ways that are meant just for you.*

## **TODAY'S WORSHIP**

Second Sunday in Ordinary Time

*Why do we worship? Think on this...*

*Worship is a human activity, celebrated in the presentness of God...the Sacred, rather than praise required of us by God. And so the "goal" is to help us know (head in our heart) how we relate as individuals to ourselves, others, world, universe.*

*To celebrate that relationship! To touch sources of creative transformation! To reinterpret our experiences!*

*To reaffirm living in this world which is indeed our sacred and worshipful work to do!*

## Gathering As God's People

### ✧ **Becoming Present To God And Each Other**

One: Christmas and Epiphany bring us round to that extraordinary Ordinary Time of the church year. The Ancient Story now alive in us in amazing new ways!

All: But so often we live our lives so fast, we forget we're in a story...a new and never ending story! Our new story: Will we slow down so God can catch up to us and Wisdom enter in?

One: But at least for this morning, we slow down. We give God a chance to enter the story line of our lives!

All: God with us, we live into hope! In faith, we are released from the way things have been and live into the way things can be! Praise be to the Holy One!

### ✧ **Gathering Hymn #332 Hymnal**

#### **"Live Into Hope"**

### ✧ **Affirming Our Faith *With* Intention**

Let me make of this day  
A prayer...  
an offering, a plea,  
Gratitude and praise.  
Every task as worthy  
and every rough place  
bearable.  
With enough quietness of heart  
To find my way on  
toward  
connection  
with all that is.  
A prayer, a poem,  
A sculpting, a moment  
Each day a life,  
My only life.

Star of Wonder, Star of Wisdom, illumine minds and hearts;  
Guide us on Your healing mission; Your radiant life impart.  
Light new pathways for our journey, leading to creation new;  
Send Your truth expanding always to show a wider view.  
Then all heaven and earth will open with possibility,

### Opening to God's Grace

#### ✧Opening Ourselves To God's Grace

#### ✧Sharing Our Inner Most Lives With God

You know Holy One, sometimes I just don't know how to live a life full of grace. Often, I don't seem to be able to say and do the "right" things. Instead of making my own life better, I often end up making it worse -- even when I am really trying!

If my speech has been enriched, why can't I seem to say the "right" words?

If my knowledge has been enriched in every kind, why don't I seem to know instinctively where to go and who to be with?

If I lack no spiritual gift, why do I feel so distant from you and helpless just when I need you the most?

Oh Holy One, You are faithful to me, and I long to be faithful to you. Bring me hope! A way to start where I am and take one step at a time. To lift my gaze away from my smartphone and Facebook, lifting my eyes to the hills! A way to blow my world open and give me a new, bigger perspective as a daily spiritual practice. To know whatever I do, I cannot make the journey alone...so, bring me the courage to stay right here in powerful, healing community which supports me with care and accountability!

Give me the heart courage I need to act on my longing for my life to be different and live a new story. Lord, you hear my prayer.

*(Release a sigh...)*

✧ You may wish to name with God a way in which your life is too orderly for there to be any space for God; or you may share with God how you are discovering more grace and hope in your life; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you.

✧A Moment With God For Each Of Us...

Let there be some quiet. We will be “stilled” together  
for 5 minutes or so! You have time....go deeper....

*Please listen to this once  
and then sing twice.*

✧Kyrie

*In this moment, in this place, all is mercy, all is grace.  
I this moment in this place, we are...One.*

## Sending Forth With Blessing

### ✧\*Departing Hymn

The days of old have come and gone,  
yet linger in our hearts;  
We ponder all the times ahead and seek a brand new start.

May God's great love and grace abound  
in everything we do;  
Let perfect peace surround us now,  
our lives begin as new.

We trust that all our future days be filled  
with hope and peace;  
And that our care for those we love  
will evermore increase.

May God's great love and grace abound  
in everything we do;  
Let perfect peace surround us now,  
our lives begin anew.  
Let perfect peace surround us now,  
our lives begin anew!

## Opening Ourselves To God's Grace

In this extraordinary, ordinary time of the church year, we can let the power of our Holy Master Story continually open us to make new meaning of our lives. We can tell a new story, live a new story. Held by the Holy Story...our story continues!

Each with our own beloved story,  
let us **SILENTLY** lift our prayers to our God  
using the written prayer on page 6 to guide us.
