"The Story Continues"

Welcome to this time of being with God and each other.

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.
 In Christ, there are no strangers, only new and wonderful people to meet each day!
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary
 or fill out a pew card and drop it in the offering plate.
 Our pastor would be glad to call you or pay you a personal visit.
 Just let us know as you sign in...and take a Welcome Packet, too!
 Come back often. We care! We are open for faith! Affirming and open to all!*

Helpful Worship Information

We're Glad You've Come.

*This is a safe place, a sanctuary of worship and prayer,
 comfort and justice-seeking for all God's people and all
 are welcome here
just as you are.*

Our church is a safe sanctuary for children..

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

Our children are invited to remain in worship with us.

We ask children be accompanied by an adult at all times throughout our morning together!

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them.

When your child (1st grade and under) is restless, when you are, when those around you are...

you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this. Please return borrowed "goodies" to the cart after worship.

Infant through 1st Grade Care

is available all during worship down the stairs to the right to the "nursery."

In the order of worship, please note... the * indicates times to stand as you are able.

Today in Worship

*We open our hearts and minds to the texts,
 confronting the radical nature of God's wisdom.*

"The Story Continues"

Today's Wisdom Teachings ...

Invite us to look at who it is we follow and what it is we cling to in this life...in terms of leaders, calling, inspiration.

Today we ask ourselves...

Do I follow near or far that which is life giving?

Am I caught up in the wrong stuff?

How am I called to be me in this world of ours?

Thanks for being here today!

*In deepest gratitude, we give God thanks
 for your presence with us in worship!*

WARNING...

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally.... any more than Jesus did, *but we DO* take it all seriously.

As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.

As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.

God rejoices in your coming and meets you this morning in special ways that are meant just for you.

TODAY'S WORSHIP

Third Sunday in Ordinary Time

Why do we worship? Think on this...

Worship is a human activity, celebrated in the presentness of God...the Sacred, rather than praise required of us by God. And so the "goal" is to help us know (head in our heart) how we relate as individuals to ourselves, others, world, universe.

To celebrate that relationship! To touch sources of creative transformation! To reinterpret our experiences!

To reaffirm living in this world which is indeed our sacred and worshipful work to do!

## Gathering As God's People

### ✧ **Becoming Present To God And Each Other**

One: Christmas and Epiphany bring us round to that extraordinary Ordinary Time of the church year. The Ancient Story now alive in us in amazing new ways!

All: But so often we live our lives so fast, we forget we're in a story...a new and never ending story! Our new story: Will we slow down so God can catch up to us and Wisdom enter in?

One: But at least for this morning, we slow down. We give God a chance to enter the story line of our lives!

All: God with us, we open our eyes, our hearts, our life stories! In faith, we are released from the way things have been and live into the way things can be! Praise be to the Holy One!

### ✧ **Affirming Our Faith *With* Intention**

Let me make of this day  
A prayer...  
an offering, a plea,  
Gratitude and praise.  
Every task as worthy  
and every rough place  
bearable.  
With enough quietness of heart  
To find my way on  
toward  
connection  
with all that is.  
A prayer, a poem,  
A sculpting, a moment  
Each day a life,  
My only life.

## Opening to God's Grace

### ✧Opening Ourselves To God's Grace

### ✧Sharing Our Inner Most Lives With God

One: Lord God, Paul appeals to us "that all be in agreement and that there be no divisions among us, that we be united in the same mind and the same purpose". Paul reminds us, we don't belong to Paul or Cephas or Karen or Kevan or Andy or Ziad...some of the leaders of our faith communities. And here at Tippe, we don't belong to Christian, Becky or Maynard...or Marybeth or Pat or Joan. Paul says we belong to Christ. Paul goes on to say it may seem like "foolishness" to others, but we don't serve our own interests, rather we serve the greater good, God's good, and with power! ....power enough to destroy the plans of those who fail wisdom and discern apart from Your deepest desires for *all* Your people.

**All:**

**So, how do I do this?**

**Be united to those with whom I disagree?**

**How do I keep from taking sides**

**or playing both ends against the middle?**

**How do I keep my own self-respect and healthy boundaries  
and extend to others the same right at the same time?**

(Go deeper...)

**Where do I find the courage**

**to resist those who use intellectualism**

**to frame arguments to their best advantage!**

**How do I help someone think outside their own box...**

**how do I help them bring their issues to You**

**and to the community of faith?**

**This is tricky stuff Lord...and scary!**

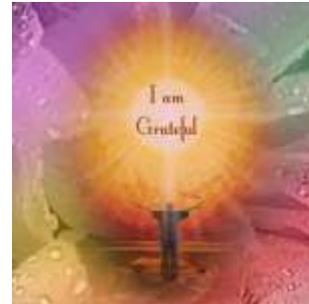

**Help me think about these things.**

**Knowing what I believe,**

**help me believe in what I can do....and stay centered.**

✧ You may wish to name with God ways you feel separated from others, how you struggle to know where to place your loyalties; or you may share a time you felt “one” with others seemingly unlike you, and reflect with God on the learnings offered through your experience; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you.

✧ **A Moment With God For Each Of Us...**

Let there be some quiet. We will be “stilled” together for 5 minutes or so! You have time....go deeper....

*Please listen to this once and then sing twice.*

✧ **Kyrie**

*In this moment, in this place, all is mercy, all is grace.  
In this moment in this place, we are...One.*

*A Sung Response*

✧ **Receiving God’s Grace...God With Us Always**

✧ **Rejoicing In God’s Divine Care**

**Glory be to the Father, & the Son, & the Holy Ghost;  
As it was in the beginning, is now and ever shall be,  
world without end. As it was in the beginning, is now  
and ever shall be, world without end. Amen. A-men.  
Amen. A-men. Amen. A-men. A-men!**

## Opening Ourselves To God's Grace

Pastor: God wanders the shores of our lives wanting to catch us, affirm us being all we can be...*wanting to help us be all we can be*. God wanders the shores of our lives much as Jesus walked the shores of many seas. Jesus was fishing for people. God is fishing for you! And Paul knows that most of us, instead of being "caught" by God, get "caught up" in artificial division, trying to look wise, debating when we could be believing.

Worship Leader:

In this extraordinary, ordinary time of the church year, we can let the power of our Holy Master Story continually open us to make new meaning of our lives. We can tell a new story, live a new story. Held by the Holy Story...our story continues!

Each with our own beloved story,  
let us **SILENTLY** lift our prayers to our God  
using the written prayer on page 6 to guide us.
