"Shaped By The Story"

Welcome to this time of being with God and each other.

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.
 In Christ, there are no strangers, only new and wonderful people to meet each day!
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary
 or fill out a pew card and drop it in the offering plate.
 Our pastor would be glad to call you or pay you a personal visit.
 Just let us know as you sign in...and take a Welcome Packet, too!
 Come back often. We care! We are open for faith! Affirming and open to all!*

Helpful Worship Information

We're Glad You've Come.

*This is a safe place, a sanctuary of worship and prayer,
 comfort and justice-seeking for all God's people and all
 are welcome here
just as you are.*

Our church is a safe sanctuary for children..

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

Our children are invited to remain in worship with us.
We ask children be accompanied by an adult at all times throughout our morning together!

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them.

When your child (1st grade and under) is restless, when you are, when those around you are...
 you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this. Please return borrowed "goodies" to the cart after worship.

Infant through 1st Grade Care

is available all during worship down the stairs to the right to the "nursery."

In the order of worship, please note... the * indicates times to stand as you are able.

Today in Worship

*We open our hearts and minds to the texts,
 confronting the radical nature of God's wisdom.*

"Shaped By The Story"

Today's Wisdom Teachings ...

help us examine what it means to really "see" and to wonder what God sees...in us...that we ourselves are not yet fully able to see...yet! We are invited to trust God's presence will see us through life's challenges and our own "blindness". All part of being...*shaped by what is life giving!*

*Thanks for being here today!
 In deepest gratitude, we give God thanks
 for your presence with us in worship!*

WARNING...

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally.... any more than Jesus did, *but we DO* take it all seriously.

As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.

As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.

God rejoices in your coming and meets you this morning in special ways that are meant just for you.

TODAY'S WORSHIP

Fourth Sunday in Lent

Why do we worship? Think on this...

Worship is a human activity, celebrated in the presentness of God...the Sacred, rather than praise required of us by God. And so the "goal" is to help us know (head in our heart) how we relate as individuals to ourselves, others, world, universe.

To celebrate that relationship! To touch sources of creative transformation! To reinterpret our experiences! To reaffirm living in this world which is indeed our sacred and worshipful work to do!

#### **❖ Becoming Present To God And Each Other**

**One: The Master Story of our faith continually calls us to shape our life stories in amazing new ways! Knowing...**

**All: daily life, our past life, and future dreads try to shape us!**

One: But at least for this morning, we give “God” a chance to enter the story line of our lives! We claim our power...

**All: to be shaped by the Master Story...our power to determine what will and will not shape us! Today we affirm: a new story is possible...still!**

*By Brande Carlisle*

*Imagine this a conversation between you and God....*

✧ **Gathering Hymn “The Story”**

**All of these lines across my face  
tell You the story of who I am.  
So many stories of where I've been  
and how I got to where I am.  
But these stories don't mean anything  
when you've got no one to tell them to  
It's true... I was made for You.**

**I climbed across the mountain tops  
swam all across the ocean blue.  
I crossed all the lines and I broke all the rules.  
But God I broke them all for You  
Oh because even when I was knocked down  
You gave me courage to get back up.  
You do and I was made for You.**

**You see the smile that's on my mouth  
It's hiding the words that don't come out.  
And all of my friends who think that I'm blessed,  
they don't know my head is a mess.  
No, they don't know who I really am  
And they don't know what I've been through like You do.  
And I was made for You.**

**All of these lines across my face  
tell You the story of who I am.  
So many stories of where I've been  
And how I got to where I am  
But these stories don't mean anything  
when you've got no one to tell them to.  
It's true... I was made for You.**

affirmations of the  
Universalist Unitarians.*

*Read to yourself and pick  
a stanza that speaks to  
you. As we read out loud  
together, read only that  
stanza you have chosen.*

*Please listen once and  
sing twice.*

*This is sung in God's  
voice to you!*

*You are invited to light a  
prayer candle now and  
anytime in worship you  
hear a prayer lifted or  
answered.*

## ✧ **Affirming Our Faith *With* Intention**

**I believe in the wholeness of life, made known as creation's moving power in wind and sea, and as awakening love within the human heart.**

**I believe in the holiness of life. I believe in new life, of all life yearning for fulfillment.**

**I believe in the indestructible togetherness of life and the changing life we share, and in the opportunity for each to contribute to the well-being of communities and our environment.**

**I believe in the shared life of play and worship, art and science, industry and government.**

**I believe in the triumph of love over hate, peace over war, life over death.**

**I believe that beneath the brokenness of tragedy lie seeds of fresh creation: that tragedy need never be in vain.**

**I believe I have the beginning courage to live my life with the whole of my life's story. And, I am willing to lay my story alongside the Master Story of our faith and glean wisdom for the living of this day. I have the power to shape a new life story!**

✧ **Hymn of Preparation “I Love To Tell The Story”**

**I love to tell the story of unseen things above,  
Of Jesus and His glory, of Jesus and His love.  
I love to tell the story, because I know 'tis true;  
It satisfies my longings as nothing else can do.**

***Refrain:***

***I love to tell the story, 'twill be my theme in glory,  
To tell the old, old story of Jesus and His love.***

**I love to tell the story; more wonderful it seems  
Than all the golden fancies of all our golden dreams.  
I love to tell the story, it did so much for me;  
And that is just the reason I tell it now to thee.**

***Refrain***

**I love to tell the story; 'tis pleasant to repeat  
What seems, each time I tell it, more wonderfully sweet.  
I love to tell the story, for some have never heard  
The message of salvation from God's own holy Word.**

***Refrain***

**I love to tell the story, for those who know it best  
Seem hungering and thirsting to hear it like the rest.  
And when, in scenes of glory, I sing the new, new song,  
'Twill be the old, old story that I have loved so long.**

***Refrain***

✧ **Bible's Wisdom Teaching: John 9: 13-41**

One: This is the way our story is told.  
God speaks to us anew through ancient stories.

**All: Thanks be to our God.**

### Opening to God's Grace

#### ✧Opening Ourselves To God's Grace

#### ✧Sharing Our Inner Most Lives With God

We call for miracles. Loving Oneness, You say the miracle is in believing, believing, faithing! You believe in the miracle of me.

And still, I find myself saying, "I lack the personal skills this situation requires." You say, "Believe in yourself, and venture out in faith."

I say, "I do not have the time or the energy to make it different." You say, "Within My courage you can take small steps, and bring change."

I say, "On my own I have such limited resources." You say, "Work with others in your faith community, and the outcome will surprise you."

I say, "Will I know peace?" You say, "Life is a process. Persevere faithfully and My peace will be yours."

Holy One, open my eyes to really seeing myself and others as You do.

Help me see how to live the miracles of each new day!

Shape me anew, O Holy One! I ask it!

✧ You may share with God a part of your life in which you have not found the courage to see things as they can be; or you may share your thanks for those who truly see you as God does; or you may simply invite Jesus to come sit beside you in the pew this morning shining His healing light all around and through you.

#### ✧A Moment With God For Each Of Us...

Let there be some quiet. We will be "stilled" together

## Opening Ourselves To God's Grace

Lent is a time to take the time to let the power of our faith story take hold of us, a time to let the events get up and walk around in us, a time to hover over the thoughts of our hearts, a time to entertain a fresh take on the way things seem.

Lent is a time to walk through the stories with Him, to touch His robe and feel the healing surge through us, a time to ponder and wonder.

Lent is a time to be newly shaped by the Master Story of our faith!

Each with our own beloved story,  
let us **SILENTLY** lift our prayers to our God  
using the written prayer on page 7 to guide us.
