Welcome To Worship

October 15th, 2017

9:30 a.m.

Return of October 9, 2011

Believe!

Safe Sleep Sabbath

Welcome to this time of being with God and each other.

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.
 In Christ, there are no strangers, only new and wonderful people to meet each day!
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary
 or fill out a pew card and drop it in the offering plate.
 Our pastor would be glad to call you or pay you a personal visit.
 Just let us know as you sign in...and take a Welcome Packet, too!
 Come back often. We care! We are open for faith! Affirming and open to all!*

Helpful Worship Information

We're Glad You've Come.

*This is a safe place, a sanctuary of worship and prayer,
 comfort and justice-seeking for all God's people and all
 are welcome here
 ...just as you are.*

Our church is a safe sanctuary for children..

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

Our children are invited to remain in worship with us.
We ask children be accompanied by an adult at all times throughout our morning together!

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them.

When your child (1st grade and under) is restless, when you are, when those around you are...
 you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this. Please return borrowed "goodies" to the cart after worship.

Infant through 1st Grade Care

is available all during worship down the stairs to the right to the "nursery."

In the order of worship, please note... the * indicates times to stand as you are able.

Today in Worship

Believe!

We open our hearts and minds to the texts today confronting the radical nature of God's wisdom.

Today's wisdom teachings are all about belonging or not, responding to invitation or not, trusting or not in God's love for you...and so rejoicing (or not!) as we celebrate and focus upon those things in life most holy and uplifting and help-full! God's invitation is not without place, directions, and a time...*now!* Help is yours!

*Thanks for being here today!
 In deepest gratitude, we give God thanks
 for your presence with us in worship!*

Being Christian...

involves being shaped by Christian language, with the Bible as its foundation. *Some* in this church understand Christian language quite literally and factually. *Others* understand it more symbolically and metaphorically. What we *share in common* is the love of language that brings us together more deeply one with our God, one breath-one people, toward more life, held in right relationships, peace with justice for all God's creation!

You may wish to consider these reflective invitations as you worship this day:

What captures my attention during worship today is....

I am wondering about....

Where I need God's help most is....

As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.

As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.

God rejoices in your coming and meets you this morning in special ways that are meant just for you.

who makes everything work together...
will work me into creation’s most excellent harmonies!**

Each with our own beloved story, shaped anew by our Holy Story,
let us **SILENTLY** lift our prayers to our God
using the written prayer on page 6 to guide us.
