"We Are The World!"

"There comes a time when we hear a certain call...
when the world must come together as one!"

Welcome to this time of being with God and each other.

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.
 In Christ, there are no strangers, only new and wonderful people to meet each day!
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary
 or fill out a pew card and drop it in the offering plate.
 Our pastor would be glad to call you or pay you a personal visit.
 Just let us know as you sign in...and take a Welcome Packet, too!
 Come back often. We care! We are open for faith! Affirming and open to all!*

Helpful Worship Information

We're Glad You've Come.

*This is a safe place, a sanctuary of worship and prayer,
 comfort and justice-seeking for all God's people and all
 are welcome here
just as you are.*

Our church is a safe sanctuary for children..

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

Our children are invited to remain in worship with us.

We ask children be accompanied by an adult at all times throughout our morning together!

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them.

When your child (1st grade and under) is restless, when you are, when those around you are...

you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this. Please return borrowed "goodies" to the cart after worship.

Infant through 1st Grade Care

is available all during worship down the stairs to the right to the "nursery."

In the order of worship, please note... the * indicates times to stand as you are able.

Today in Worship

*We open our hearts and minds to the texts,
 confronting the radical nature of God's wisdom.*

"We Are the World!"

"There comes a time when we hear a certain call
 When the world must come together as one!"

We gather to celebrate the power we have to be the change in the world we long to see!
 We will ask our questions, embrace the challenges, discover inner resources and explore new skills needed as we worship and come together as interfaith community!

Today, in our Wisdom Teachings,
 we encounter God's grace and healing amidst all the circumstances of our lives...*even* those hard ones! We hear an invitation to put aside "small ways" and settle-in to what "is" so we are a part of creating what can be...*not settling for less, but expecting more to come!* Become a part of the solution, rather than the problem.

*Thanks for being here today!
 In deepest gratitude, we give God thanks
 for your presence with us in worship!*

WARNING....

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally.... any more than Jesus did, *but we DO* take it all seriously.

As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.

As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.

God rejoices in your coming and meets you this morning in special ways that are meant just for you.

TODAY'S WORSHIP

Twenty-eighth Sunday in Ordinary Time

Why do we worship? Think on this...

Worship is a human activity, celebrated in the presentness of God...the Sacred, rather than praise required of us by God. And so the "goal" is to help us know (head in our heart) how we relate as individuals to ourselves, others, world, universe.

To celebrate that relationship! To touch sources of creative transformation! To reinterpret our experiences!

To reaffirm living in this world which is indeed our sacred and worshipful work to do!

"We Are the World!"

"There comes a time when we hear a certain call
When the world must come together as one!"

One: We celebrate diversity in our unity. We are not of one mind, but one spirit! We are a microcosm of the world for we are all much more alike than we are different.

**All: We are the change we long to see in the world!  
With reverence, mutual respect, and a living

### ✧\*Gathering Hymn

#### **"We Are The World"**

**There comes a time when we hear a certain call  
When the world must come together as one  
There are people dying and it's time to lend a hand  
To life the greatest gift of all.**

**We can't go on pretending day by day  
That someone, somewhere will soon make a change  
We are all part of God's great big family  
And the truth, you know, love is all we need.**

#### ***Chorus:***

***We are the world, we are the children.  
We are the ones who make a brighter day  
so let's start giving.  
There's a choice we're making,  
we're saving our own lives.  
It's true we'll make a better day, just you and me.***

**Well, send them your heart so they'll know  
that someone cares  
And their lives will be stronger and free  
As God has shown us by turning stones to bread  
And so we all must lend a helping hand.**

#### ***Chorus***

**When you're down and out, there seems no hope at all  
But if you just believe, there's no way we can fall  
Well, well, well, well, let us realize that a change  
can only come  
When we stand together as one.**

***Chorus x 2***

*Current Elders and Deacons are invited to read out loud as indicated. If you have been ordained to these ministries, you are invited to join with them as meaningful to you.*

## ✧ **Affirming Our Faith *With Intention***

Pastor: We are a congregation of religious literacy and public liturgy: We believe in accurate information and informed discussion.

**All: We soften edges, build relationships, and make God's Beloved Community possible. And prayerfully, develop sound logic, seek out verifiable experience, and reference reputable sources. We strengthen ties cross-culturally, ecumenically, and in interfaith settings. We are the world!**

Elders: We teach our children that new questions are welcomed. We invite our young people to challenge historic faith and popular convention.

**All: While our senior members model a compassionate and complex tradition. Courageously, they have been willing to discuss controversial issues related to religion. We pray that their example and care will teach a new generation how to speak truth to power. They mean the world to us!**

Deacons: So today we celebrate the legacy and ongoing mission of our faithing community. We establish safe spaces to express doubts and raise questions. We learn ourselves, confront fears, draw a bigger picture of our greater community.

**All: So that other faiths and practices might thrive, learn, and teach. And we all might grow. The world is us!**

Worship Leader: We have created 4 primary missions reaching out into the greater community. We volunteer within them, supporting them as they support us. We provide a worshipful forum for specific questions or concerns, and inspired people to wonder more about deep questions in oneness with our God.

**All: Today we celebrate that as our mission: We are a people of religious literacy and public liturgy and faithful action. We gather to express our joy in this identity in God's world!**

Pastor: May we not be conformed by the patterns of this world but transformed by the renewal of our minds! (Romans 12:2)

*Listen once. Enjoy  
singing twice!*

*You are invited to agape  
Bread and to light a prayer  
candle now and anytime in  
worship you hear a prayer  
lifted or answered.*

*Feel free to write in the  
margins! Use this space  
for your personal  
reflections!*

there at all?*

## ✧ **Sung Call To Prayer**

**In this moment in this place, all is mystery all is grace.  
In this moment in this place, we are one.**

## ✧ **Pastoral Prayer and Lord's Prayer**

**Our Father who art in heaven, hallowed be thy name.  
Thy kingdom come, thy will be done, on earth as it is in  
heaven. Give us this day our daily bread; and forgive us  
our debts as we forgive our debtors; and lead us not into  
temptation, but deliver us from evil. For thine is the  
kingdom and the power and the glory, forever. Amen.**

***O Breathing Life, your Name shines everywhere!  
Release a space to plant your Presence here.  
Envision your "I Can" now.  
Embody your desire in every light and form.  
Grow through us this moment's bread and wisdom.  
Untie the knots of failure binding us,  
as we release the strands we hold of others' faults.  
Help us not forget our Source,  
yet free us from not being in the Present.  
From You arises every vision, power, and song,  
from gathering to gathering.  
Amen: May our future actions grow from here!***

**Radiant One: You shine within us, outside us—even  
darkness shines—when we remember. Focus your light  
within us, make it useful...as the rays of a beacon show  
the way. Create your reign of unity now through our  
fiery hearts and willing hands. Let all move together in  
your vortex, as stars and planets swirl through the sky.  
Give us the food we need to grow through each day,  
through each illumination of life's needs. Forgive our  
hidden past, the secret shames, as we constantly forgive  
what others hide. Help us not forget our Source, yet free  
us from not being in the Present. Out of You, the  
astonishing fire, the birthing glory, returns light and  
sound to the cosmos. Truly—power to these statements—  
May they be the ground from which all my actions grow:  
Sealed in trust and faith.**

*Continued on the next page...*

***Birther! Father-Mother of the Cosmos, Focus your light within us –make it useful. Create your reign of unity now—Your own desire then acts with ours, as in all light, so in all forms. Grant what we need each day in bread and insight. Loose the cords of mistakes binding us, as we release the strands we hold of others’ guilt. Don’t let surface things delude us, but free us from what holds us back. From You is born all ruling will, the power and the life to do, the song that beautifies all, from age to age it renews. Truly—power to these statements—May they be the ground from which all my actions grow. May it be so.***

## Opening Ourselves To God's Grace

### One:

We open our most precious lives to holy conversation with the One who is love and light and laughter...who also holds our sorrow, pain, and confusion.

We open to God's care...trusting we are safely held, heard, and will be renewed.  
We begin to listen for wisdom.

So...slow your mind, open your courageous heart, and draw near to Holiness.

Each with our own beloved story,  
let us **SILENTLY** lift our prayers to our God  
using the written prayer on page 7 to guide us.
