"We Are The World!"

"There comes a time when we hear a certain call...
when the world must come together as one!"

Welcome to this time of being with God and each other.

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.
 In Christ, there are no strangers, only new and wonderful people to meet each day!
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary
 or fill out a pew card and drop it in the offering plate.
 Our pastor would be glad to call you or pay you a personal visit.
 Just let us know as you sign in...and take a Welcome Packet, too!
 Come back often. We care! We are open for faith! Affirming and open to all!*

Helpful Worship Information

We're Glad You've Come.

*This is a safe place, a sanctuary of worship and prayer,
 comfort and justice-seeking for all God's people and all
 are welcome here
just as you are.*

Our church is a safe sanctuary for children..

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

Our children are invited to remain in worship with us.

We ask children be accompanied by an adult at all times throughout our morning together!

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them.

When your child (1st grade and under) is restless, when you are, when those around you are...

you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this. Please return borrowed "goodies" to the cart after worship.

Infant through 1st Grade Care

is available all during worship down the stairs to the right to the "nursery."

In the order of worship, please note... the * indicates times to stand as you are able.

Today in Worship

*We open our hearts and minds to the texts,
 confronting the radical nature of God's wisdom.*

"We Are the World!"

"There comes a time when we hear a certain call
 When the world must come together as one!"

We gather to celebrate the power we have to be the change in the world we long to see!
 We will ask our questions, embrace the challenges, discover inner resources and explore new skills needed as we worship and come together as interfaith community!

Today, in our Wisdom Teachings,
 we encounter God's grace and healing amidst all the circumstances of our lives...*even* those hard ones! We hear an invitation to put aside "small ways" and settle-in to what "is" so we are a part of creating what can be...*not settling for less, but expecting more to come!* Become a part of the solution, rather than the problem.

*Thanks for being here today!
 In deepest gratitude, we give God thanks
 for your presence with us in worship!*

WARNING....

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally.... any more than Jesus did, *but we DO* take it all seriously.

As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.

As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.

God rejoices in your coming and meets you this morning in special ways that are meant just for you.

TODAY'S WORSHIP

Twenty-ninth Sunday in Ordinary Time

Why do we worship? Think on this...

Worship is a human activity, celebrated in the presentness of God...the Sacred, rather than praise required of us by God. And so the "goal" is to help us know (head in our heart) how we relate as individuals to ourselves, others, world, universe.

To celebrate that relationship! To touch sources of creative transformation! To reinterpret our experiences!

To reaffirm living in this world which is indeed our sacred and worshipful work to do!

"We Are the World!"

*"There comes a time when we hear a certain call
When the world must come together as one!"*

One: We celebrate diversity in our unity. We are not of one mind, but one spirit! We are a microcosm of the world for we are all much more alike than we are different.

**All: We are the change we long to see in the world!  
With reverence, mutual respect, and a living

### ✧\*Gathering Hymn

#### **"We Are The World"**

**There comes a time when we hear a certain call  
When the world must come together as one  
There are people dying and it's time to lend a hand  
To life the greatest gift of all.**

**We can't go on pretending day by day  
That someone, somewhere will soon make a change  
We are all part of God's great big family  
And the truth, you know, love is all we need.**

#### ***Chorus:***

***We are the world, we are the children.  
We are the ones who make a brighter day  
so let's start giving.  
There's a choice we're making,  
we're saving our own lives.  
It's true we'll make a better day, just you and me.***

**Well, send them your heart so they'll know  
that someone cares  
And their lives will be stronger and free  
As God has shown us by turning stones to bread  
And so we all must lend a helping hand.**

#### ***Chorus***

**When you're down and out, there seems no hope at all  
But if you just believe, there's no way we can fall  
Well, well, well, well, let us realize that a change  
can only come  
When we stand together as one.**

***Chorus x 2***

*Listen once. Enjoy singing twice!*

*You are invited to agape Bread and to light a prayer candle now and anytime in worship you hear a prayer lifted or answered.*

*Read in unison*

**✧Affirming Our Faith *With Intention***

**Called to be thankful: We celebrate God's grace in worship, reflection, and action; nurture personal discipleship through education, prayer, and fellowship; and reach out with healing into a world seeking peace and justice. We welcome people of diverse backgrounds, lifestyles, beliefs, and relationships with God to join us on this journey.**

- <sup>1</sup> I lift up my eyes to the mountains—  
where does my help come from?
- <sup>2</sup> My help comes from the LORD,  
the Maker of heaven and earth.
- <sup>3</sup> He will not let your foot slip—  
he who watches over you will not slumber;
- <sup>4</sup> indeed, he who watches over Israel  
will neither slumber nor sleep.
- <sup>5</sup> The LORD watches over you—  
the LORD is your shade at your right hand;
- <sup>6</sup> the sun will not harm you by day,  
nor the moon by night.
- <sup>7</sup> The LORD will keep you from all harm—  
he will watch over your life;
- <sup>8</sup> the LORD will watch over your coming and going  
both now and forevermore.

✧ **Opening Ourselves To God’s Grace**

✧ **Sharing Our Inner Most Lives With God**

Holy One,

Too many times it seems like You are illusive, I feel like I can’t find You. Like the woman asking the judge, I keep pleading for help, but You don’t open Your doors to my plight. Like Jacob, I feel like I’m wrestling with You all night. And yet, in Psalm 121, You promise that You are my keeper. In Psalm 121, You guarantee You won’t ever let my foot slip. So what gives? Am I not listening? Am I demanding too much?

Or is it something different? Am I unaware of the name You have called me by? Am I missing Your answer because I don’t know Your Name for me? Let me take another look at who I am. Could You be calling me a positive name I have never considered for myself? Could You be asking me to change my life’s pursuits? Could You be asking me to take on the name that matters most to You? WHAT name would that be? What NAME would that be? What name WOULD that be? What name would THAT be? What name would that BE? Tell me, please, and lead me to live into it.

Lord, I ask it!

✧ **A Moment With God For Each Of Us....**

Let there be some quiet. We will be “stilled” together  
for 5 minutes or so! You have time....go deeper....

### ✧ Quieting Ourselves For Prayer

### ✧ Sung Call To Prayer

**In this moment in this place, all is mystery all is grace.  
In this moment in this place, we are one.**

### ✧ Pastoral Prayer and Lord's Prayer

**Our Father who art in heaven, hallowed be thy name.  
Thy kingdom come, thy will be done, on earth as it is in  
heaven. Give us this day our daily bread; and forgive us  
our debts as we forgive our debtors; and lead us not into  
temptation, but deliver us from evil. For thine is the  
kingdom and the power and the glory, forever. Amen.**

***O Breathing Life, your Name shines everywhere!***

***Release a space to plant your Presence here.***

***Envision your "I Can" now.***

***Embody your desire in every light and form.***

***Grow through us this moment's bread and wisdom.***

***Untie the knots of failure binding us,  
as we release the strands we hold of others' faults.***

***Help us not forget our Source,***

***yet free us from not being in the Present.***

***From You arises every vision, power, and song,  
from gathering to gathering.***

***Amen: May our future actions grow from here!***

**Radiant One: You shine within us, outside us—even  
darkness shines—when we remember. Focus your light  
within us, make it useful...as the rays of a beacon show  
the way. Create your reign of unity now through our  
fiery hearts and willing hands. Let all move together in  
your vortex, as stars and planets swirl through the sky.  
Give us the food we need to grow through each day,  
through each illumination of life's needs. Forgive our  
hidden past, the secret shames, as we constantly forgive  
what others hide. Help us not forget our Source, yet free  
us from not being in the Present. Out of You, the  
astonishing fire, the birthing glory, returns light and  
sound to the cosmos. Truly—power to these statements—  
May they be the ground from which all my actions grow:  
Sealed in trust and faith.**

*Continued on the next page...*

***Birther! Father-Mother of the Cosmos, Focus your light within us –make it useful. Create your reign of unity now—Your own desire then acts with ours, as in all light, so in all forms. Grant what we need each day in bread and insight. Loose the cords of mistakes binding us, as we release the strands we hold of others’ guilt. Don’t let surface things delude us, but free us from what holds us back. From You is born all ruling will, the power and the life to do, the song that beautifies all, from age to age it renews. Truly—power to these statements—May they be the ground from which all my actions grow. May it be so.***

With God as our maker  
Children all are we.  
Let me walk with my neighbor

## Opening Ourselves To God's Grace

One:

We open our most precious lives to holy conversation with the One who is love and light and laughter...who also holds our sorrow, pain, and confusion.

We open to God's care...trusting we are safely held, heard, and will be renewed.  
We begin to listen for wisdom.

So...slow your mind, open your courageous heart, and draw near to Holiness.

Each with our own beloved story,  
let us **SILENTLY** lift our prayers to our God  
using the written prayer on page 7 to guide us.
