Welcome To Worship

"Making Love Visible"

Perhaps
this is the
moment for
which you
have been
Created.
Esther 4:14

Welcome to this time of being with God and each other.

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.
 In Christ, there are no strangers, only new and wonderful people to meet each day!
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary
 or fill out a pew card and drop it in the offering plate.
 Our pastor would be glad to call you or pay you a personal visit.
 Just let us know as you sign in...and take a Welcome Packet, too!
 Come back often. We care! We are open for faith! Affirming and open to all!*

Helpful Worship Information

We're Glad You've Come.

*This is a safe place, a sanctuary of worship and prayer,
 comfort and justice-seeking for all God's people and all
 are welcome here
 ...just as you are.*

Our church is a safe sanctuary for children..

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

Our children are invited to remain in worship with us. The exception is first and third Sundays of the months during the program year when our families host "Children's Church" right after Kids' Time.

We ask children be accompanied by an adult at all times throughout our morning together!

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them.

When your child (1st grade and under) is restless, when you are, when those around you are... you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this. Please return borrowed "goodies" to the cart after worship.

Infant through 1st Grade Care

is available all during worship down the stairs to the right to the "nursery."

In the order of worship, please note... the * indicates times to stand as you are able.

Today in Worship

*We open our hearts and minds to the texts,
 confronting the radical nature of God's wisdom.*

"Making Love Visible"

At Tippe, we believe in a spacious Christianity through which GRACE cultivates hope, healing, and purpose! With the palpable support of a community of believers, doubters, thinkers, doers, and pray-ers, and with God's help, we are able to change lives in visible ways!

In Today's Wisdom Teachings ...we are invited to move with the Hebrews into that Promise Land. We are to follow God lead, cross over that river, pick up our "stones", honor how far we have come, and come to a new life journey of possibility!

Thanks for being here today!

*In deepest gratitude, we give God thanks
 for your presence with us in worship!*

WARNING....

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally.... any more than Jesus did, *but we DO* take it all seriously.

As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.

As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.

God rejoices in your coming and meets you this morning in special ways that are meant just for you.

TODAY'S WORSHIP

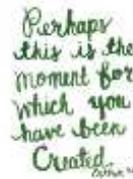

Twenty ninth Sunday in Ordinary Time

Why do we worship? Think on this...

Worship is a human activity, celebrated in the presentness of God...the Sacred, rather than praise required of us by God. And so the "goal" is to help us know (head in our heart) how we relate as individuals to ourselves, others, world, universe.

To celebrate that relationship! To touch sources of creative transformation! To reinterpret our experiences! To reaffirm living in this world which is indeed our sacred and worshipful work to do!

"Making Love Visible"

**“Live In Charity”**

**Opening to God's Grace**

✧ **Opening Ourselves To God's Grace'**

✧ **Sharing Our Inner Most Lives With God**

Lord God, I wish I had a “holy arc” to follow so I would know the way to go...because like the Hebrew people, I have not passed this way before.

You gave them just enough space so they could follow comfortably and still see you. This is exactly what I need too!

The waters parted for them again.

Part them again for me Lord...at times, feels like I'm drowning here.

They rested their feet in the Jordan.

Lord, rest my feet. I'm so tired.

They picked stones to take to the other side as a memorial to Your faithfulness and their journey.

Oh Lord! I'm carrying around a lot of stones! If these stone I carry could only speak, they would name my burdens and questions and doubts. I have come a long way, stones and all...sometimes it's just hard to keep on going.

Help me cross over to another point of view. Help me glean the wisdom of my life's stones. Give me the energy to follow the best I can...a new person in a new promised land...re-formed.

Lord, I ask it.

✧ **A Moment With God For Each Of Us...**

Let there be some quiet. We will be “stilled” together  
for 5 minutes or so! You have time....go deeper....

**You are the Christ, Giver of Mercy.**

## Opening Ourselves To God's Grace

When I...when you...listen to the Holy's call within, daily experience opens us to the "infinite"! When you and I live through our gifts, the Holy Spirit works through us in ways we may never know directly...touching lives, hearts, and minds. And it all begins with listening within and sharing ourselves with our God releasing our gifts and so, living more fully. Together, *we make love visible!*

Each with our own beloved story, shaped anew by our Holy Story,  
let us **SILENTLY** lift our prayers to our God  
using the written prayer on page 6 to guide us.
