# Welcome To Worship

December 10, 2017

9:30 a.m.

*"On That Night..."*

*Second Week of Advent 2017*

*Welcome to this time of being with God and each other.*

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.  
 In Christ, there are no strangers, only new and wonderful people to meet each day!  
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary  
 or fill out a pew card and drop it in the offering plate.  
 Our pastor would be glad to call you or pay you a personal visit.  
 Just let us know as you sign in...and take a Welcome Packet, too!  
 Come back often. We care! We are open for faith! Affirming and open to all!*

**Helpful Worship Information**

***We're Glad You've Come.***

*This is a safe place, a sanctuary of worship and prayer,  
 comfort and justice-seeking for all God's people and all  
 are welcome here  
 ...just as you are.*

**Our church is a safe sanctuary for children..**

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

**Our children are invited to remain in worship with us.** *The exception is first and third Sundays of the months during the program year when our families host*

*"Children's Church" right after Kids' Time.*

***We ask children be accompanied by an adult at all times throughout our morning together!***

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them.

**When your child (1<sup>st</sup> grade and under) is restless, when you are, when those around you are...**

you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this. Please return borrowed "goodies" to the cart after worship.

---

**Infant through 1<sup>st</sup> Grade Care**

is available all during worship down the stairs to the right to the "nursery."

**In the order of worship**, please note... the \* indicates times to stand as you are able.

**Today in Worship**

*We open our hearts and minds to the texts,  
 confronting the radical nature of God's wisdom.*

**"On That Night"**

***We are to be renewed...born anew...  
 and made able to resist our usual ways of  
 thinking about the world!***

*Today's wisdom teachings* hold up a new reality for us. God's comfort nurtures and encourages us, strengthens and empowers us. In a world where flowers fade and grass withers, righteousness and peace kiss and all things are made possible...in us. We are invited to live "uncomfortable" as we are made comfort-able!

*Thanks for being here today!*

*In deepest gratitude, we give God thanks  
 for your presence with us in worship!*

**WARNING....**

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally.... any more than Jesus did, *but we DO* take it all seriously.

*As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.*

*As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.*

*God rejoices in your coming and meets you this morning in special ways that are meant just for you.*

## **TODAY'S WORSHIP**

Second Week of Advent

### **Why do we worship? Think on this...**

*Worship is a human activity, celebrated in the presentness of God...the Sacred, rather than praise required of us by God. And so the "goal" is to help us know (head in our heart) how we relate as individuals to ourselves, others, world, universe.*

*To celebrate that relationship! To touch sources of creative transformation! To reinterpret our experiences! To reaffirm living in this world which is indeed our sacred and worshipful work to do!*

Words of God, Word of God,  
You wait into me like starlight falling on shadow.

You wait into me like leaf and blossom  
unfolding into the unknown.

You wait into me like water yearning to boil.  
You wait into me like clay anticipating  
the potter's hand.

You wait through dreaming darkness  
to the questions of dawn.  
You wait in silence and wait in words.

*Let it be so.*

*After intro, please sing  
twice. Found Hymnal,  
#92, Verse 1.*

✧ **Kyrie**

**While we are waiting come; while we are waiting, come.  
Jesus, our Lord, Emmanuel, while we are waiting, come.**

*You are invited to light a  
prayer candle now and  
anytime in worship you  
hear a prayer lifted or  
answered.*

✧ **\*Passing of the Peace...*Temenos!***

*Temenos is an ancient Greek concept of creating a safe space  
for others in which healing can take place in the midst of what is.*

*First and Third Sundays  
children are invited  
downstairs to Children's  
Church after Kids' Time!*

*Please remain seated.*

*Feel free to use the space

reflections!*

with a kiss this morning;  
or you may share a time

you in the pew this  
morning shining his  
healing light all around  
and through you.*

*Please listen to this once  
and then sing twice.*

## ✧Sung Reflection

**Sing to me...a sweet, low melody...  
that drifts on darkened breeze invisibly.**

**Sing to me...a song of shadowed trees...  
That bids my heart rejoice...at all its mysteries.**

### Opening to God's Grace

#### ✧Opening Ourselves To God's Grace

#### ✧Sharing Our Inner Most Lives With God

Lord God, in a world where disaster and despair greet each other daily, I so long for Your steadfast love and faithfulness to meet! Things have got to change! If only Your righteousness and peace *would* kiss...in me! It would give me courage to do what I can do in this world, and be who you make me to be in this world...and that would change...*everything!*

You see my best efforts thus far, well...they are like fading flowers, and seem to wither and die. In honest moments, I guess I know I am not being as faithful to my beliefs as You call me to be! To do so is so uncomfortable in this risky, politicized world!

Lord, I cry out to be comforted, even as I strive to comfort others. Prepare a way in me. I don't quite know how to see through the tasks at hand.

I need to find a way out of this wilderness and go a straight way home. I need to acknowledge the gift that I am...and give it...to myself...so I can give my very best to others.

This is my prayer.

#### ✧A Moment With God For Each Of Us...

Let there be some quiet. We will be "stilled" together  
for 5 minutes or so! You have time....go deeper....

#### ✧Kyrie

**Prepare the way of the Lord,  
Prepare the way of the Lord,  
And all people will see the salvation of our God.**

✧ \*Departing Hymn "A Song Of Night"

Sing to me...a gentle song of night...  
Before the moon has reached its lofty height.  
  
Sing to me... a song of star's delight...  
Released to shine above...  
Free from the day so bright.  
And when this song has reached its end...  
Bend your head to me...  
Whisper the words that were born far above,  
Ere the moon had swayed the seas...  
Ere the brightest star did shine:  
Oldest of words, even older than time,  
And this heart of mine will stop to hear your song.  
  
Sing to me....a sweet, low melody...  
That drifts on darkened breeze invisibly.  
  
Sing to me...a song of shadowed trees...  
That bids my heart rejoice...at all its mysteries.  
And when this song has reached its end...  
Bend your head to me...  
  
Whisper the words that were born far above,  
ere the moon had swayed the sea...  
ere the brightest star did shine:  
Oldest of words, even older than time,  
And this heart of mine will stop to hear your song.

## Opening Ourselves To God's Grace

It is said that "On That Night," lost things are found again. We might say, renewed...we might say renewed for resistance to our usual way of thinking about ourselves and our world. "On that night," we are found and renewed...found out and invited to resist. Advent is the time to hurry to the wonder of our faith and slow down enough for our God to take hold of our lives...to hurry and wait so our God can catch up to us and be born in us in ways we never could have conceived of on our own. We hurry and wait in the safe and abiding presence of Holiness.

Each with our own beloved story, shaped anew by our Holy Story,  
let us **SILENTLY** lift our prayers to our God  
using the written prayer on page 6 to guide us.
