# Welcome To Worship

June 3, 2018

9:30 a.m.

*Welcome to this time of being with God and each other.*

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.  
 In Christ, there are no strangers, only new and wonderful people to meet each day!  
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary  
 or fill out a pew card and drop it in the offering plate.  
 Our pastor would be glad to call you or pay you a personal visit.  
 Just let us know as you sign in...and take a Welcome Packet, too!  
 Come back often. We care! We are open for faith! Affirming and open to all!*

**Helpful Worship Information**

***We're Glad You've Come.***

*This is a safe place, a sanctuary of worship and prayer,  
 comfort and justice-seeking for all God's people and all  
 are welcome here  
 ....just as you are.*

**Our church is a safe sanctuary for children.**

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

**Our children are invited to remain in worship with us. The exception is first and third Sundays of the months during the program year when our families host "Children's Church" right after Kids' Time.**

***We ask children be accompanied by an adult at all times throughout our morning together!***

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them.

**When your child (1<sup>st</sup> grade and under) is restless, when you are, when those around you are...**

you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this. Please return borrowed "goodies" to the cart after worship.

**Infant through 1<sup>st</sup> Grade Care**

is available all during worship down the stairs to the right to the "nursery."

**In the order of worship**, please note... the \* indicates times to stand as you are able.

**Today in Worship**

*We open our hearts and minds to the texts,  
 confronting the radical nature of God's wisdom.*

We live into the Ordinary Days of the liturgical year. We move forward in faith, living into the power of the wisdom teachings in our daily lives. No easy task! It may feel a lot like being David in a world of Goliaths or being at sail in a small boat in the midst of a great storm! But David won! The storms did not overcome the disciples. Even though life is a bit like a "tippe-canoe", the assurance of God's presence keeps us in the boat. We can make it to the other side! We enjoy two very well-known wisdom teachings of our faith.

***Today, we celebrate God's love through Holy Communion. All are welcome at Table together ...wherever you are on your faith journey, whatever your age or tradition, whatever your need.***

*Thanks for being here today!  
 In deepest gratitude, we give God thanks  
 for your presence with us in worship!*

**WARNING...**

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally... any more than Jesus did, *but we DO* take it all seriously.

*As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.*

*As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.*

***God rejoices in your coming and meets you this morning in special ways that are meant just for you.***

*Based upon today's Bible Wisdom Teachings on this day.*

## **TODAY'S WORSHIP**

Second Sunday After Pentecost

### **Why do we worship? Think on this...**

*Worship is a human activity, celebrated in the presentness of God...the Sacred, rather than praise required of us by God. And so the "goal" is to help us know (head in our heart) how we relate as individuals to ourselves, others, world, universe.*

*To celebrate that relationship! To touch sources of creative transformation! To reinterpret our experiences! To reaffirm living in this world which is indeed our sacred and worshipful work to do!*

## **Gathering As God's People**

### ◆ **Becoming Present To God And Each Other**

**One:** In the midst of real life, God calls us to... "Be still. Peace."

**All:** We come to experience the calming power of "peace."

One: In the midst of struggle or despair...

**All: In the midst of hard times at home, conflict in the family...**

One: When there is ill-will between two friends or strife in the workplace...

**All: When the Church is a quarrel zone or world events bring terror...**

One: God gathers us in a peace that calms...a peace which surpasses all worldly understanding. Knowing God's trust *is in us*, we still ourselves.

**All: We are God's People. This is a Divine world! Peace is made possible through us!**

*Please stand!*

**“O For A World”**

✧Opening Ourselves To God's Grace

✧Sharing Our Inner Most Lives With God

**Lord God, it's easy for You to say to me....be calm, be still. But for me, not so much! Life is hard and panic sets in pretty easily some times.**

**Like a mighty storm, drama and turmoil seems to come out of nowhere. Let me hear your voice, calming ...reassuring me.**

**Life's stresses overwhelm me some days and I don't know how to respond, what I should do first. Help me reset my priorities and get back on a steady course.**

**The encouragement of my family and support of friends sometimes feels shaky just when I need it most. Give me confidence to search out other sources of help.**

**When the storms of life seem to hit me from all sides, Lord set my sail toward calmer waters and give me hope of better days ahead. This is my prayer.**

*Based upon today's wisdom teaching in Mark 4:35-4...Jesus calming the seas.*

*Read these words! These may be the best words of all...just for you this morning!*

*Please join in this sung body prayer as our Kyrie. Listen into the melody, then sing once and then do it once more "on the breath" (movement and music but no words).*

*Music and Words by permission, Worldmaking Music, 2004.*

*Our Sung Response*

*You are invited to light a prayer candle now and anytime in worship you hear a prayer lifted or answered.*

## ✧A Moment With God For Each Of Us...

*You may wish to name with God how turmoil at home or work is stressing you; or you may share deep appreciation with God for a time you experienced God's peace surround you as you faced a difficult situation; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you.*

Let there be some quiet. We will be "stilled" together for 5 minutes or so! You have time....go deeper....

## ✧Kyrie

**To be faithful with what I've been given,  
To be faithful with who I am,  
To be faithful with how I am living,  
I pray to be faithful.**

## ✧Receiving God's Grace....*God With Us Always*

## ✧Rejoicing In God's Divine Care

**Glory be to the Father, & the Son, & the Holy Ghost;  
As it was in the beginning, is now and ever shall be,

and ever shall be, world without end. Amen. A-men.

## Opening to God's Grace

### ✧ Affirming Our Faith With Intention

Lord God, this is what I believe is possible.

This is what I intend:

Strength to stand faithful —

and not to fear,

Courage to commit to living love —

and not to waver,

Wisdom to know words to speak —

and words not to,

Measures of mercy to be giving —

and not to grasp.

God of All Time, in the Ways of Jesus

and with Spirit Strength —

make me equal to this time.

Amen.

## Opening Ourselves to God's Grace

In the ordinary days of our lives, within the daily hum-drum, extraordinary challenges arise. As we live out our daily routines, some days are anything but routine. However, our faith is not routine either! Our faith was not made just for Sundays, but for everyday...the extraordinary ordinary days of our lives. And we were not made to live life alone or downhearted.

Companionship by other believers, held in God's presence, we have a place to speak out our challenges and concerns...to cry out for the help we need most, to find some peace! Now is the time! And this is that place and this is the time.

Each with our own beloved story, shaped anew by our Holy Story, **let us in our common voice**, lift our prayers out loud to our God as we use the reflection on Page 4 to guide us.
