## Welcome To Worship

November 4, 2018

9:30 a.m.

*All Souls Day Celebration...*  
*The Road Home*

*Welcome to this time of being with God and each other.*

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us. In Christ, there are no strangers, only new and wonderful people to meet each day! If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary or fill out a pew card and drop it in the offering plate. Our pastor would be glad to call you or pay you a personal visit. Just let us know as you sign in...and take a Welcome Packet, too! Come back often. We care! We are open for faith! Affirming and open to all!*

**Helpful Worship Information**

***We're Glad You've Come.***

*This is a safe place, a sanctuary of worship and prayer, comfort and justice-seeking for all God's people and all are welcome here ...just as you are.*

**Our church is a safe sanctuary for children.**

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

**Our children are invited to remain in worship with us. The exception is Second and Fourth Sundays of the months during the program year when Heatherlee guides**

***"Children's Wisdom Circle: after Kids' Time.***

***We ask children be accompanied by an adult at all times throughout our morning together!***

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them. Please return borrowed "goodies" to the cart after worship.

**When your child (1<sup>st</sup> grade and under) is restless, when you are, when those around you are...** you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this.

**Infant through 1<sup>st</sup> Grade Care**

is available all during worship down the stairs in the Cloud Room which is our "nursery."

**In the order of worship,** please note... the \* indicates times to stand as you are able.

**Today in Worship**

*We open our hearts and minds to the texts, confronting the radical nature of God's wisdom.*

We've all heard it said... life is not a destination at which we strive to arrive, but a journey. But the direction we travel determines what we will discover...about ourselves! Can we keep walking...seeking the true "home"?

Through today's Wisdom Teachings, God is calling us to love body, mind, and soul...to love God and to love ourselves so we are able to love others also. That sounds pretty touchy feely to our liking!

Today, we celebrate God's love as we feast in Holy Communion. All are welcome at Table together ...wherever you are on your faith journey, whatever your age or tradition, whatever your need.

**Thanks to our dear friend Don Mendenhall for permission to use his breath-taking photography to enhance our worship this day!**

*Thanks for being here today!  
In deepest gratitude, we give God thanks for your presence with us in worship!*

**WARNING....**

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally... any more than Jesus did, *but we DO* take it all seriously.

*As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.*

*As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.*

***God rejoices in your coming and meets you this morning in special ways that are meant just for you.***

*Based upon today's theme and music's lyrics.*

## **TODAY'S WORSHIP**

Thirty-first Sunday in Ordinary Time

### **Why do we worship? Think on this...**

*Worship is a human activity, celebrated in the presentness of God...the Sacred, rather than praise required of us by God. And so the "goal" is to help us know (head in our heart) how we relate as individuals to ourselves, others, world, universe.*

*To celebrate that relationship! To touch sources of creative transformation! To reinterpret our experiences! To reaffirm living in this world which is indeed our sacred and worshipful work to do!*

*The Road Home*

Holy Ground!**

### ✧ **Prelude**

♦ *Ringing the Bell...an ancient tradition to clarify the air enabling our prayers to rise more easily to our God.*

## **Gathering As God's People**

### ✧ **Becoming Present To God And Each Other**

One: Holiness, we come longing for home. We seek the road home. And we know...You are our home. Oh tell us, where is the road we can each call our own?

**All: After wind, after rain...when the dark is done, we awake to Your voice calling from afar...You call and we rise up. You call us away. You lead us home.**

One: With a song of love in our hearts, we come to know...we are one...know where we belong. Indeed, You lead us home.

**\*✧ Video Presentation: The Road Home**

*You are invited to sing along!*

**✧ Opening Ourselves To God's Grace**

**✧ Sharing Our Inner Most Lives With God**

Lord, it is hard to love anyone...let along You, with all my heart and soul and mind. Any one of these ways of loving is more than I can dare think possible for me. And yet, You ask all three!

When my heart is broken, how can it love?  
When my soul feels empty, how can it be full?  
When my mind is racing in so many different directions,  
how can it settle upon You?

I can do burnt offerings and sacrifices...token acts and simple symbols of love, but to really give myself feels risky.

What if I give and find myself all alone?  
...vulnerable to others?  
...my committed love not returned?

Help. Help me. Help me love. Help me feel Your love and know I do have everything I need to live and love fearlessly.

Lord, in these fearful times, You hear my prayer.

*(Release a sigh...)*

Lord, help me find the road home...to You!

**✧ A Moment With God For Each Of Us...**

You may wish to name with God how your heart is broken or soul empty or mind racing; or you may share your desire to love and/or be loved; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you.

*Based upon today's wisdom teaching Mark 12:28-34...loving our God with heart, souls, and mind.*

*Read these words! These may be the best words of all....just for you this morning!*

Let there be some quiet. We will be “stilled” together  
for 5 minutes or so! You have time....go deeper....

*From “The Road Home”  
Michael Dennis Browne  
and Stephen Paulus.*

#### ✧Kyrie

After wind, after rain, when the dark is...done,  
As I wake from a dream in the gold of day,  
Through the air there's a calling from far away.  
There's a voice I can hear that will lead me...home.

Now,  
O Lord,  
Calm me into a quietness

and molds my longings  
and passions  
my wounds  
and wonderings  
into a more holy  
and human shape.

Adapted from Marianne  
Williamson's "Our  
Deepest Fear"

## Opening to God's Grace

### ✧ Affirming Our Faith With Intention

Our deepest fear is not that we are inadequate.  
Our deepest fear is that we are powerful beyond measure.  
It is our light not our darkness that most frightens us.

We ask ourselves who am I to be brilliant,  
gorgeous, talented, fabulous?

Actually, who am I not to be?  
I am a child of God.

My playing small doesn't serve the world.  
There's nothing enlightened about shrinking so other people  
won't feel insecure around me.

We were born to make manifest the glory of God  
that is within us.

It's not just in some of us;  
it's in everyone!

And as each of us let our light shine,  
we unconsciously give other people permission to do the same.

As we are liberated from our own fear,  
Our presence automatically liberates others.

And...then we will all be on... *that road home.*

In this election season, as Christians we are mindful of our call to be politically involved and to vote. There is a separation of church and state *but* not religion and politics! *AND* we also honor our religious sensibility which guides us to be mindful of **how and when and where** we share our views....setting and timing and "audience" and words chosen matter!

Here at Tippe we welcome divergent thinking and a range of commitment. We are enhanced by our diversity and together we hold worship and prayer as sacred times of union in which we are encouraged to give voice to issues calling out for our attention. However, it is not appropriate to give voice to preference concerning candidates at such times.

We participate in the Wisconsin Council of Churches Covenant of Civility signed by over 175 religious leaders statewide.

### ✧All Souls Day Celebration

**~Honoring The Saints~**

Pastor: In their honor, we "'go quiet" to hear the "Bells of Remembrance". (Listen) With reverence, we light our prayer candles shining this new reality: through our baptisms and the living of our lives even beyond this time, we are all "one with Christ, with the life giving energy of the universe" for all time. (Light candles.) We honor the Saints who have moved from this life into eternal life...still present to loved ones here in holy ways.

**All: We remember those we love who now abide beyond time. In remembering and honoring these Saints, we are made one. In responding to God's call to live our love, we are made present day Saints.**

### ✧ Preparation of the Table Great Prayer of Thanksgiving

Pastor: Friends, this is the joyful feast of the people of God!

**People: We are invited to join with Christians past, present, and *still to come*...in this feast which has been prepared for us all.**

Pastor: Lift up your hearts.

**People: We lift them up to the Lord.**

Pastor: It is right to give God our thanks and praise. Come as you are, who you are, and share in the feast of new and everlasting life! Come today and commune for yourself and loved one and friends who have gone before you and show you the way to "more" life!

In the spirit oneness,  
let us join in giving God our praise, affirming our faith,  
singing in *Worship and Praise*, #134, "That We May Be Filled."

## Opening Ourselves to God's Grace

We've all heard it said...life is not a destination at which we strive to arrive, but a journey.

Can we keep walking? Keep going down the road? Find...home?

Like the disciples, we are on a journey, seeking that road that will take us home to oneness with our God. The disciples put their real questions to Jesus willing to risk looking foolish in order to ask them! Jesus never turned their questions away and never gave up on them. Jesus is willing to meet us where ever we are on our life's journey....guiding us to the road home.

Each with our own beloved story, shaped anew by our Holy Story, we lift our prayers silently to our God using the reflection on Page 4 to guide us.
