## Welcome To Worship

March 24, 2019

9:30 a.m.

*The Way Goes Before Us...Let Us Begin Again!*  
~Taking the Path of Risk and Revelation~

*Welcome to this time of being with God and each other.*

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us. In Christ, there are no strangers, only new and wonderful people to meet each day! If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary or fill out a pew card and drop it in the offering plate. Our pastor would be glad to call you or pay you a personal visit. Just let us know as you sign in...and take a Welcome Packet, too! Come back often. We care! We are open for faith! Affirming and open to all!*

**Helpful Worship Information**

***We're Glad You've Come.***

*This is a safe place, a sanctuary of worship and prayer, comfort and justice-seeking for all God's people and all are welcome here ...just as you are.*

**Our church is a safe sanctuary for children.**

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

**Our children are invited to remain in worship with us. The exception is Second and Fourth Sundays of the months during the program year when Heatherlee guides**

***"Children's Wisdom Circle" after Kids' Time.***

***We ask children be accompanied by an adult at all times throughout our morning together!***

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them. Please return borrowed "goodies" to the cart after worship.

**When your child (1<sup>st</sup> grade and under) is restless, when you are, when those around you are...**

you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this.

**Infant through 1<sup>st</sup> Grade Care**

is available all during worship down the stairs in the Cloud Room which is our "nursery."

**In the order of worship**, please note... the \* indicates times to stand as you are able.

**Today in Worship**

*We open our hearts and minds to the texts, confronting the radical nature of God's wisdom.*

***The Way Goes Before Us...***

***Let Us Begin Again!***

We continue the journey beyond Bethlehem turning toward our Jerusalems. But we do not go alone. Jesus is out in front showing us the Way. We go together!

*Today's Wisdom Teachings* remind us of our spiritual hungers and thirsts... longings can be the very things God uses to make space for grace to bear fruit in our lives. God is patient and awaits new growth. We can draw upon God as a source of nourishment as we find ourselves.

*Thanks for being here today!*

*In deepest gratitude, we give God thanks for your presence with us in worship!*

**WARNING...**

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally...any more than Jesus did, *but we DO* take it all seriously.

*As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.*

*As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.*

***God rejoices in your coming and meets you this morning in special ways that are meant just for you.***

## **TODAY'S WORSHIP**

Third Sunday of Lent

*Preparing To Worship...*

Now,  
O Lord,  
Calm me into a quietness  
that heals  
and listens...  
and molds my longings  
and passions  
my wounds  
and wonderings  
into a more holy  
and human shape.

## Gathering As God's People

David Whyte  
August 26, 2015,  
FINISTERRE, adapted

### ✧ **Becoming Present To God And Each Other**

One:

On the road...the *Path...Of Risk And Revelation:*

There's no way to make sense of a world that wouldn't let you pass... except to call an end to the way you had come; to empty your bags; to sort this and to leave that; to promise what you needed to promise all along, and to abandon the shoes that brought you here, not because you had given up but because now, you would find a different way to tread, and because, through it all, part of you would still walk on, no matter how. The Way goes before us!

**All: Holy One, we humbly walk with You! In Your love and truth we worship. We shall find our way through risk and revelation...together!**

\*✧ **Gathering Hymn #401 Hymnal**

**“Gather Us In”**

### ✧ **Opening Ourselves To God's Grace**

### ✧ **Sharing Our Inner Most Lives With God**

Lord God, I have little money by most standards...perhaps a lot by Your standard! While I usually have enough to eat, I do worry about providing for myself and my family. I thirst and hunger. I linger on the path...worrying!

Now, I hear You say what You offer has no price...is priceless! In the real world, everything has a price. But it's not the price of things that takes the biggest toll. It's the price I pay within myself that is steepest!

...work too many hours, take too many short cuts, rip offs,  
fed up, restless sleep, hiding myself in things of little value  
...food, drink, avoidance, manipulations.

I need a new way to think about my life.

Lord, I long to be a part of that everlasting, priceless covenant You promise...to be satisfied and see life from a different vantage point. I long for Your “thoughts” and Your “ways” to guide how I think. How do I let go of old failures and false motivations so I can succeed in the things that really matter?

*Continued on next page...*

*A silent prayer for each  
of us based upon today's  
Wisdom Teachings.*

With Your gentle grace, encourage me to simply live in Your Ways.  
Let me begin...again. Lord, I ask it. Amen.

*(Release a sigh...)*

### ✧A Moment With God For Each Of Us...

*Read these words! These may be the best words of all....just for you this morning!*

✧ You may wish to name with God that for which you thirst and hunger in life; or you may share new ways of thinking you are experiencing as you begin again; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you.

Let there be some quiet. We will be “stilled” together for 5 minutes or so! You have time....go deeper....

*Please sing once.*

### ✧Kyrie

- tender God have mercy, for You are for us.
- living God have mercy, for You will heal us.
- tender God, have mercy, for You are for us,  
for You are for us.

*By permission, Richard  
Bruxvoort Colligan*

### ✧Receiving God’s Grace...*God With Us Always*

*Our Sung Response*

### ✧Rejoicing In God’s Divine Care

**Glory be to the Father, & the Son, & the Holy Ghost;  
As it was in the beginning, is now and ever shall be,  
world without end. As it was in the beginning, is now  
and ever shall be, world without end. Amen. A-men.  
Amen. A-men. Amen. A-men. A-men!**

*You are invited to light a  
prayer candle now and  
anytime in worship you hear  
a prayer lifted or answered.*

### ✧\*Passing of the Peace...*Temenos!*

*Temenos is an ancient Greek concept of creating a safe space  
for others in which healing can take place in the midst of what is.*

## Held WithIn the Word

✧ **And the Children Will Lead The Way: Kids' Time**

✧ **Hymn of Prayerful Preparation #183 Hymnal**

**“Come To Me O Weary Traveler”**

*Verses 1 and 4*

✧ **Bible’s Wisdom Teachings and Reflection**

**Isaiah 55:1, 3a, 6-8, 10-12**

**Luke 13:1-9**

**The Gospel of Mary 7:2-7**

“And I said to Him, ‘Lord, I saw you today in a vision. He answered and said to me, ‘Blessed are you that you did not waiver in seeing me. For where the mind is, there is the treasure.’ I said to Him, ‘Lord, now, does one who sees the vision see it with the soul or with the spirit?’ The Savior answered and said, ‘One does not see with the soul or with the spirit, but the mind which is between the two sees the vision.’”

One: This is the way our story is told.

God speaks to us anew through ancient stories.

**All: Thanks be to our God.**

my wounds  
and wonderings

## Opening Ourselves to God's Grace

**One:** We have moved beyond Bethlehem. We, together, as individuals, journey toward our Jerusalems. It is a path of risk and revelation. It will be difficult, we can help each other. It will be joyful, we shape our way. The way is ours alone...we go in love.

Jesus goes before us.  
Divine Presence offers sustenance and support along the way.  
We begin...again.

Each with our own beloved story shaped anew by the Holy Story, as we surrender pretenses and open to God, we lift our prayers silently to our God using the reflection on Page 4 to guide us.
