# Welcome To Worship

April 14, 2019

9:30 a.m.

*The Way Goes Before Us...Let Us Begin Again!*  
*~A Palm Sunday Path of Risk and Revelation~*

*Welcome to this time of being with God and each other.*

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us. In Christ, there are no strangers, only new and wonderful people to meet each day! If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary or fill out a pew card and drop it in the offering plate. Our pastor would be glad to call you or pay you a personal visit. Just let us know as you sign in...and take a Welcome Packet, too! Come back often. We care! We are open for faith! Affirming and open to all!*

**Helpful Worship Information**

***We're Glad You've Come.***

*This is a safe place, a sanctuary of worship and prayer, comfort and justice-seeking for all God's people and all are welcome here ...just as you are.*

**Our church is a safe sanctuary for children.**

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

**Our children are invited to remain in worship with us. The exception is Second and Fourth Sundays of the months during the program year when Heatherlee guides**

***"Children's Wisdom Circle" after Kids' Time.***

***We ask children be accompanied by an adult at all times throughout our morning together!***

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them. Please return borrowed "goodies" to the cart after worship.

**When your child (1<sup>st</sup> grade and under) is restless, when you are, when those around you are...** you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this.

**Infant through 1<sup>st</sup> Grade Care**

is available all during worship down the stairs in the Cloud Room which is our "nursery."

**In the order of worship**, please note... the \* indicates times to stand as you are able.

**Today in Worship**

*We open our hearts and minds to the texts, confronting the radical nature of God's wisdom.*

***The Way Goes Before Us...***

***Let Us Begin Again!***

We continue the journey beyond Bethlehem turning toward our Jerusalems. But we do not go alone. Jesus is out in front showing us the Way. We go together!

*Today's Wisdom Teachings* remind us that we too are part of that ancient crowd that shouts "Hosanna!" not able to see what kind of a king Jesus really is...not king for a day...but a lifetime! The stories help us enter "Passion Week" and lead us to wonder about what it is that we are passionate about in our lives.

*Thanks for being here today!*

*In deepest gratitude, we give God thanks for your presence with us in worship!*

**WARNING...**

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally...any more than Jesus did, *but we DO* take it all seriously.

*As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.*

*As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.*

***God rejoices in your coming and meets you this morning in special ways that are meant just for you.***

## **TODAY'S WORSHIP**

Sixth Sunday of Lent

*Preparing To Worship...*

Now,  
O Lord,  
Calm me into a quietness  
that heals  
and listens...  
and molds my longings  
and passions  
my wounds  
and wonderings  
into a more holy  
and human shape.

## Gathering As God's People

David Whyte

FINISTERRE, adapted

### ✧ **Becoming Present To God And Each Other**

One:

On the road...the *Path...Of Risk And Revelation:*

There's no way to make sense of a world that wouldn't let you pass...except to call an end to the way you had come; to empty your bags; to sort this and to leave that; to promise what you needed to promise all along, and to abandon the shoes that brought you here, not because you had given up but because now, you would find a different way to tread, and because, through it all, part of you would still walk on, no matter how. The Way goes before us!

**All: Holy One, we humbly walk with You! In Your love and truth we worship. We shall find our way through risk and revelation...together!**

### \* ✧ **Gathering Hymn #360 Hymnal**

#### **“Christ Is Coming!”**

*In the Lucan version of Palm Sunday, there are no palms, rather cloaks. No Hosannas, rather Prince of Peace! Imagine... yourself there...*

### ✧ **Opening Ourselves To God's Grace**

#### ✧ **Sharing Our Inner Most Lives With God**

You know God, I like the story of Jesus' entrance into Jerusalem with the "crowd shouting" and the "palms waving". I like it a lot better than the story of Jesus' betrayal, trial, and impending death. Couldn't we just skip over this part? After all, isn't the point of Easter resurrection and not crucifixion?

Well, actually, when I look at my own life, I probably know more about "getting nailed" than I do about "rising up from the dead." Sometimes it's almost as if I'm stuck in crucifixion and can't find my way to resurrection at all!

I don't want to talk about it!

But in running away from my crucifixions, am I missing the point? ...avoiding new life? ...wallowing in self-delusion?

Lord, move my life to Easter through the stories of this week. As You do, help me face how I betray in my own life. *Forgive me.* Help me go to the table in a way that prepares me for what is to come next. *Lead me.* Help me slow down enough to enter this week at a donkey's pace and go the rest of the way with you.

*Continued on next page...*

*A silent prayer for each of us based upon today's Wisdom Teachings.*

Help me stay the path full of self-awareness, find my courageous love, and take the second chance You offer... to accept the truth and be generous giving of myself so I am free to travel to and beyond my Jerusalem.

Let me begin...again. Lord, I ask it. Amen.

*(Release a sigh...)*

### ✧ A Moment With God For Each Of Us...

*Read these words! These may be the best words of all...just for you this morning!*

✧ You may wish to name with God a time there was a parade of palms around a "grand happening" in your life for which you are thankful; or you may share the pain around someone's betrayal of you or share how you have betrayed someone or betrayed what it is you profess to believe; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you...as you stay the path.

DECIDE  
WHAT KIND  
OF LIFE  
YOU REALLY  
WANT...  
AND THEN,  
SAY NO  
TO EVERYTHING  
THAT ISN'T THAT

Let there be some quiet. We will be "stilled" together  
for 5 minutes or so! You have time...go deeper...

*Please sing once.*

### ✧ Kyrie

- tender God have mercy, for You are for us.
- living God have mercy, for You will heal us.
- tender God, have mercy, for You are for us,  
for You are for us.

*By permission, Richard  
Bruxvoort Colligan*

*Our Sung Response*

*You are invited to light a prayer candle now and anytime in worship you hear a prayer lifted or answered.*

*Please remain seated.*

*My prayer again... as I listen:*

Now,  
O Lord,  
Calm me into a quietness  
that heals  
and listens...  
and molds my longings  
and passions

✧ **Receiving God's Grace...*God With Us Always***

✧ **Rejoicing In God's Divine Care**

**Glory be to the Father, & the Son, & the Holy Ghost;  
As it was in the beginning, is now and ever shall be,  
world without end. As it was in the beginning, is now  
and ever shall be, world without end. Amen. A-men.  
Amen. A-men. Amen. A-men. A-men**

✧ **\*Passing of the Peace...*Temenos!***

*Temenos is an ancient Greek concept of creating a safe space for others in which healing can take place in the midst of what is.*

**Held WithIn the Word**

✧ **And the Children Will Lead The Way: Kids' Time**

✧ **Hymn of Prayerful Preparation #183 Hymnal**

**"Come To Me O Weary Traveler"**  
*Verses 1 and 4*

✧ **Bible's Wisdom Teachings and Reflection**

**Psalm 118:1, 19-29**

**Luke 19:28-40**

One: This is the way our story is told.

God speaks to us anew through ancient stories.

**All: Thanks be to our God.**

## Opening Ourselves to God's Grace

**One:** We have moved beyond Bethlehem. We, together, as individuals, journey toward our Jerusalems. It is a path of risk and revelation. It will be difficult, we can help each other. It will be joyful, we shape our way. The way is ours alone...we go in love.

Jesus goes before us into Jerusalem.

We begin...again.

Each with our own beloved story shaped anew by the Holy Story, as we surrender pretenses and open to God, we lift our prayers silently to our God using the reflection on Page 4 to guide us.
