Welcome To Worship

June 23, 2019

9:30 a.m.

Rerun of June 20, 2010

**Moving Through Ordinary Time...
Together...With Our God**

June Is National Torture Awareness Month

Welcome to this time of being with God and each other.

*Visitors are important to us. In Christ, there are no strangers,
only new and wonderful people to meet each day!
If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary
or fill out a pew card and drop it in the offering plate.
Our pastor would be glad to call you or pay you a personal visit.
Just let us know as you sign in...and take a Welcome Packet, too!
Come back often. We care! We are open for faith!*

Helpful Worship Information

We're Glad You've Come.

*This is a safe place, a sanctuary of worship and prayer,
comfort and justice-seeking for all God's people and all
are welcome here
...just as you are.*

Our church is a safe sanctuary for children.

We are proactive to protect our children with trained
staff, enlightened volunteers,
and aware congregants.

No concealed weapons of any type are allowed on
Tippecanoe Church premises.

***Our children are invited to remain in worship
with us. "Children's Wisdom Circle" is on break
until September when the program year
begins again.***

***We ask children be accompanied
by an adult at all times throughout
our morning together!***

During worship, children are welcome to use a book,
stuffed animal, or crayons and papers from the bottom
shelf of the cart at the back of the sanctuary. We want
the sanctuary to be home to them. Please return
borrowed "goodies" to the cart after worship.

**When your child (1st grade and under) is restless,
when you are, when those around you are...**
you're/we're probably asking too much of everyone.
Please let your child be in the nursery at times like this.

Infant through 1st Grade Care

is available all during worship down the stairs in the
Cloud Room which is our "nursery."

In the order of worship, please note... the * indicates
times to stand as you are able.

Today in Worship

*We open our hearts and minds to the texts,
confronting the radical nature of God's wisdom.*

This season of Ordinary time extends through
Christ the King Sunday which sets the stage for
Advent. So, now is the time...and there's lots of
time and lots of support in community...to practice
living the faith story we've learned as we moved
through the seasons of the liturgical year! And
this is National Torture Awareness Month...*talk
about faith!*

In Today's Wisdom Teachings the Psalmist longs for
God, knowing God is there. Jesus casts out
demons, and the demons know his power. Paul
says we are all one, we know the promise is ours.
Now, what exactly is the promise? Where is God
and what is God doing in our lives....in your life?

***You may wish to consider these reflective
invitations as you worship this day:***

What captures my attention during worship today
is....

I am wondering about....

Where I need God's help most is....

I am prompted to....

WARNING....

If you take the Bible literally you may be
disappointed here. We hope not, but we think you
should know that we don't take *all* of scripture
literally...any more than Jesus did,
but we DO take it all seriously.

As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community. As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. God rejoices in your coming and meets you this morning in special ways that are meant just for you.

TODAY'S WORSHIP
Second Sunday After Pentecost

Preparing To Worship...

**WELCOME TO THIS CELEBRATION
OF THE LORD'S DAY**

**Moving Through Ordinary Time...
Together...With Our God**

June Is National Torture Awareness Month

❖ **Welcome and Community News**

❖ **Readying Ourselves for Worship**

**“Surely God is in this place,
Holy Ground.
Surely God is in this place,
Holy Ground.”**

❖ **Prelude**

- ♦ Bringing forward The Bible and the Bread of Life
- ♦ Lighting of The Christ Candle

- ♦ Ringing the Bell...an ancient tradition to clarify the air enabling
our prayers to rise more easily to our God.

Gathering As God's People

❖ **Becoming Present To God And Each Other**

One: God, You refresh us with Your presence. Like a deer that longs for cool water in the heat of day, we are seeking You.

All: You are with us! With gratitude, we praise You...here and now!

One: We worship and sing with joy for Your love is living water, better than life itself.

All: Guide our journey of faith! Refresh us in Your ways!

Images from Psalm 42 and our opening hymn!

Sing with joy for this new day of possibility!

Excerpts from Psalms 42 and 43 interlaced with reflection.

Sorta' mumble this to yourself in God's presence...or maybe that's mumble it to God finally becoming present to yourself! This is a corporate quiet time with words!

Born of the sunlight, we praise Your re-creation of the new day...in us!

✧*Gathering Hymn #469 Hymnal

“Morning Has Broken”

✧Opening Ourselves To God's Grace

✧Sharing Our Inner Most Lives With God

As a deer longs for flowing streams, so my soul longs for you, O God. My soul thirsts for a living God...so, when shall I come and behold Your face?

...What separates us, God? Is it simply my resistance to Your possibilities for my life?

...pause...

My tears have been my food day and night, while people say to me continually, “Where is your God?” My soul is cast down within me; at such times, I remember You.

...God, it is times such as these I need You most! Help me in my need to remember to remember Your presence in my life.

...pause...

Deep calls to deep. By day you command Your steadfast love to find me, and at night Your song is with me. You are the God in whom I take refuge.

...You surround me and let me take refuge in Your comfort and rest. I need that! Oh, God....restore me as I claim anew Your blessing and my life.

...pause...

O send out Your light and Your truth to deliver me from those who doubt Your presence. Let light and truth lead me; let them bring me to Your holy hill and to Your dwelling. My hope is in You, O God. I shall again praise You, my help and my God.

...Let me follow in Your ways and not the ways of the world. I pray out loud through Jesus Christ, my Savior and Friend.

♦ You may wish to name with God a way in which you feel separated from God or from people; or you may share a time you felt God's comfort and rest; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you.

♦ You are invited to continue this time of sharing with the One Who Loves You, possibly saying, “I am within Your One Holy Breath, Lord. There is no where I am that You are not. Connected with Your soul, this is how it is with *my soul* this day.....”

✧ Quieting Ourselves For Prayer

✧ Sung Call To Prayer

**In this moment in the place, all is mystery all is grace.
In this moment in this place, we are one.**

Please choose one of the 4 translations provided to read this day. We will begin together and end with our God.

For noticing as you read and experience this prayer:

What strikes you?

Delights you?

Captures attention?

Surprises?

Sits alongside what you already know with ease and what barely can sit there at all?

✧ Pastoral Prayer and the Lord's Prayer

Our Father who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done, on earth as it is in heaven. Give us this day our daily bread; and forgive us our debts as we forgive our debtors; and lead us not into temptation, but deliver us from evil. For thine is the kingdom and the power and the glory, forever. Amen.

***O Breathing Life, your Name shines everywhere!
Release a space to plant your Presence here.
Envision your "I Can" now.
Embody your desire in every light and form.
Grow through us this moment's bread and wisdom.
Untie the knots of failure binding us,
as we release the strands
we hold of others' faults.
Help us not forget our Source,
yet free us from not being in the Present.
From You arises every vision, power, and song,
from gathering to gathering.
Amen: May our future actions grow from here!***

Radiant One: You shine within us, outside us—even darkness shines—when we remember. Focus your light within us, make it useful...as the rays of a beacon show the way. Create your reign of unity now through our fiery hearts and willing hands. Let all move together in your vortex, as stars and planets swirl through the sky. Give us the food we need to grow through each day, through each illumination of life's needs. Forgive our hidden past, the secret shames, as we constantly forgive what others hide. Help us not forget our Source, yet free us from not being in the Present. Out of You, the astonishing fire, the birthing glory, returns light and sound to the cosmos. Truly—power to these statements—May they be the ground from which all my actions grow: Sealed in trust and faith.

Continued on next page...

Birther! Father-Mother of the Cosmos, Focus your light within us –make it useful. Create your reign of unity now—Your own desire then acts with ours, as in all light, so in all forms. Grant what we need each day in bread and insight. Loose the cords of mistakes binding us, as we release the strands we hold of others’ guilt. Don’t let surface things delude us, but free us from what holds us back. From You is born all ruling will, the power and the life to do, the song that beautifies all, from age to age it renews. Truly—power to these statements—May they be the ground from which all my actions grow. May it be so.

we lift our hands,
We lift our lives up to You!

*We are an offering.**

✧*Departing Hymn #22 Worship And Praise

“Bring For The Kingdom”

✧*Our Response

**Holy One, now we Your servants go in peace.
Your word lives on in us.**

Opening Ourselves to God's Grace

This is our time to talk with God about our lives -- to notice how God responds in grace-filled forgiveness to the choices we have made and the consequences with which we are each living – and trusting – in God's new day, just for us!

So, take that breath...release yourself as you open to God and become one with God's desire and delight. Let us raise our one voice to God, praying:
