# Welcome To Worship

*July 7, 2019*

9:30 a.m.

*Summer Rerun from September 14, 2018*

*Re-Opening to Divine Presence!*

*Welcome to this time of being with God and each other.*

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.  
 In Christ, there are no strangers, only new and wonderful people to meet each day!  
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary  
 or fill out a pew card and drop it in the offering plate.  
 Our pastor would be glad to call you or pay you a personal visit.  
 Just let us know as you sign in...and take a Welcome Packet, too!  
 Come back often. We care! We are open for faith! Affirming and open to all!*

***Helpful Worship Information***

***We're Glad You've Come.***

*This is a safe place, a sanctuary of worship and prayer,  
 comfort and justice-seeking for all God's people and all  
 are welcome here  
 ...just as you are.*

***Our church is a safe sanctuary for children.***

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

***Our children are invited to remain in worship with us. "Children's Wisdom Circle" is on break until September when the program year begins again.***

***We ask children be accompanied by an adult at all times throughout our morning together!***

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them.

***When your child (1<sup>st</sup> grade and under) is restless, when you are, when those around you are...***

*you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this. Please return borrowed "goodies" to the cart after worship.*

---

***Infant through 1<sup>st</sup> Grade Care***

*is available all during worship down the stairs in the Cloud Room which is our "nursery."*

***In the order of worship***, please note... the \* indicates times to stand as you are able.

***Today in Worship***

*We open our hearts and minds to the texts,  
 confronting the radical nature of God's wisdom.*

As we live the spiritual practicum with Jesus, today's Wisdom Teachings remind us that much has been given to us and much is expected...but exactly what does God expect? In James we hear God expects us to hold ourselves and "our tongues" to a "wisdom" standard. In Mark, the disciples hear there is no short cut. You have to face your responsibilities and your blessings. And, there is joy and fullness of life each day...this is what we can expect. This is what God gives each of us so we can *Re-Set, Re-Adjust, Re-Start, Re-Focus as we Re-Open to Divine Presence.*

*Thanks for being here today!  
 In deepest gratitude, we give God thanks  
 for your presence with us in worship!*

***WARNING...***

*If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take all of scripture literally... any more than Jesus did, but we DO take it all seriously.*

*As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.*

*As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.*

***God rejoices in your coming and meets you this morning in special ways that are meant just for you.***

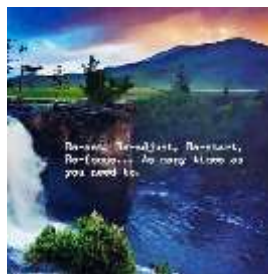

## **TODAY'S WORSHIP**

Twenty-third Sunday in Ordinary Time

***Why do we worship? Think on this...***

*Worship is a human activity, celebrated in the presentness of God...the Sacred, rather than praise required of us by God. And so the "goal" is to help us know (head in our heart) how we relate as individuals to ourselves, others, world, universe.*

*To celebrate that relationship! To touch sources of creative transformation! To reinterpret our experiences! To reaffirm living in this world which is indeed our sacred and worshipful work to do!*

*Re-Opening To Divine Presence!*

### **Gathering As God's People**

#### ✧Becoming Present To God And Each Other

One: To everything there is a season. A time to turn and a time to return.

**All: And now is the time to turn toward "home"...**

One: ...to re-turn to that inner...home! ...to re-open to Divine Presence.

**All: It's time to re-set, re-start, re-adjust, re-focus...**

One: as many times we need! We gather to support each of us doing just that!

**All: We re-turn and discover shelter and warmth as we re-open to Divine Presence. We are gathered in a perpetual grace of re-do's, of new beginnings!**

*Please stand!*

✧Sharing Our Inner Most Lives With God

Re-set. Re-start. Re-adjust. Re-focus. Re-open to Divine Presence.

Yeah...but...it's hard to re-set when every time I turn around, it seems even more is being expected of me. Seems every time I say yes to one thing, I'm asked to do yet another. Every time I do what I'm asked, I'm told there was a better way to do it. Re-start. Don't others realize what damage their criticizing words are doing to me? Is this my cross? Can't bear it!

And what do *I* do? I often turn around and criticize them back. Nothing changes and everyone feels bad. Re-focus. Is this our cross? Can't bear it!

Holiness, help me. Help me from giving others so much power over how I see myself that I succumb to their “poison”. Please help me see Your image in everyone...so I can stop re-acting to what they say! Please, give me the courage and a way through so I re-assess tough situations and re-sist and re-open to possibility in the moment.

I trust You to show me what to do and say next! I am listening for Your voice. I long to re-open to your presence.

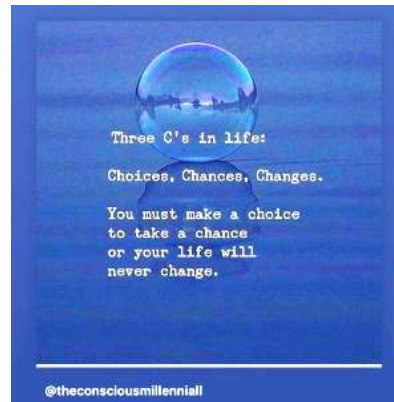

✧A Moment With God For Each Of Us...

*You may wish to name with God your struggle with "unrealistic" expectations you are facing; or you may share unkind words spoken that have hurt your heart, or kind words that have healed a hurt; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you.*

*Based upon today's wisdom teachings.*

*Please read to yourself to live into the power of these words as they come alongside your life.*

*Read these words! These may be the best words of all....just for you this morning!*

Let there be some quiet. We will be “stilled” together for 5 minutes or so! You have time...go deeper...

*From Worship and Praise, # 27, “Cares Chorus.” Please listen and then sing once.*

✧ **Kyrie**

**I cast all my cares upon You;  
I lay all of my burdens down at Your feet.  
And anytime that I don't know what to do,  
I will cast all my cares upon You.**

*Our Sung Response*

✧ **Receiving God's Grace...God With Us Always**

✧ **Rejoicing In God's Divine Care**

**Glory be to the Father, & the Son, & the Holy Ghost;  
As it was in the beginning, is now and ever shall be,  
world without end. As it was in the beginning, is now  
and ever shall be, world without end. Amen. A-men.  
Amen. A-men. Amen. A-men. A-men!**

*You are invited to light a prayer candle now and anytime in worship you hear a prayer lifted or answered.*

✧ **\*Passing of the Peace...Temenos!**

*Temenos is an ancient Greek concept of creating a safe space for others in which healing can take place in the midst of what is.*

## Opening Ourselves to God's Grace

Sometimes the everyday problems of our lives seem to smolder endlessly until they erupt...disrupting the good of life as well as the bad. We are set on fire but often in frustration or anger or self-incrimination. But we don't have to be burned by our lives.

Christ invites us to be wise about that...to be on-fire with the power of new life. We can re-do our lives. Now is our time to talk with God about what hasn't worked well in life and our longing for that re-do as we re-open to possibility.

Each with our own beloved story, shaped anew by our Holy Story, **let us in our common voice**, lift our prayers out loud to our God as we use the reflection on Page 4 to guide us.
