Welcome To Worship

February 2, 2020

Updated rerun of January 23, 2009

9:30 a.m.

"Continue...Come...Close-r!"

Welcome to this time of being with God and each other.

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.
 In Christ, there are no strangers, only new and wonderful people to meet each day!
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary
 or fill out a pew card and drop it in the offering plate.
 Our pastor would be glad to call you or pay you a personal visit.
 Just let us know as you sign in...and take a Welcome Packet, too!
 Come back often. We care! We are open for faith! Affirming and open to all!*

Helpful Worship Information

We're Glad You've Come.

*This is a safe place, a sanctuary of worship and prayer,
 comfort and justice-seeking for all God's people and all
 are welcome here
 ...just as you are.*

Our church is a safe sanctuary for children.

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

Our children are invited to remain in worship with us.

We ask children be accompanied by an adult at all times throughout our morning together!

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them. Please return borrowed "goodies" to the cart after worship.

When your child (1st grade and under) is restless, when you are, when those around you are...
 you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this.

Infant through 1st Grade Care

is available all during worship down the stairs in the Cloud Room which is our "nursery."

In the order of worship, please note... the * indicates times to stand as you are able.

Today in Worship

*We open our hearts and minds to the texts,
 confronting the radical nature of God's wisdom.*

"Continue...Come...Close-r!"

We are in the season after Epiphany and before Lent. Ordinary Time in the church calendar. Yet, it is an extraordinary time... a time when we begin to integrate all the new awarenesses of Advent and Christmas and Epiphany! We are changed by the events of the stories!

Today's Wisdom Teachings help us to ask ourselves: How do I envision a world where the faithful do justice, love kindness, and journey humbly with God? Which paths of justice am I being called to follow...and what will get turned upside down in me and my personal world as I do?

Today, we celebrate God's love as we feast in Holy Communion. All are welcome at Table together ... wherever you are on your faith journey, whatever your age or tradition, whatever your need.

*Thanks for being here today!
 In deepest gratitude, we give God thanks for your presence with us in worship!*

WARNING....

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally....any more than Jesus did, *but we DO* take it all seriously.

As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.

As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.

God rejoices in your coming and meets you this morning in special ways that are meant just for you.

TODAY'S WORSHIP

Fourth Sunday in Ordinary Time

Preparing To Worship...

**WELCOME TO THIS CELEBRATION  
OF THE LORD'S DAY**

*“Continue...Come...Close-r!”*

✧ **Welcome and Community News**

✧ **Readying Ourselves for Worship**

**Surely God is in this place, Holy Ground!  
Surely God is in this place,  
Holy Ground!**

✧ **Prelude**

- ◆ Bringing Forward the Bible
- ◆ Ringing the Bell...an ancient tradition to clarify the air enabling our prayers to rise more easily to our God.

## Gathering As God's People

### ✧Becoming Present To God And Each Other

One: In Christmas, God comes to us. And we *Continue...to Come ... Close-r* to living from this inner-source of Universal Unconditional Love; offering compassionate care to ourselves and others.

One: So, all He said to them was “Follow Me”. And they went.

**All: They dropped what they were doing...fishing...and followed!**

One: Jesus asks the same of us this morning!

**All: We have dropped what we were doing and come to worship God! We seek to know ourselves better, freeing us to a common, greater intention. Together, we are each the light God offers the world! Powerfully, we are one.**

\*✧Gathering Hymn #119 Worship and Praise

**“Praise to You, O God of Mercy”**

### ✧Opening Ourselves To God's Grace

### ✧Sharing Our Inner Most Lives With God

Pastor: Lord God, Paul appeals to us “that all be in agreement and that there be no divisions among us, that we be united in the same mind and the same purpose”. Paul reminds us, we don't belong to Paul or Cephas...or Karen or Zo or Michelle or Erik...some of the leaders of our faith communities.

And here at Tippe, we don't belong to Becky or Maynard or Judy or Larry or Bonnie or Jerry or Josh or Christian. Paul says we belong to Christ. Paul goes on to say it may seem like “foolishness” to others, but we don't serve our own interests, rather we serve the greater good, God's good, and with power! ...power enough to destroy the plans of those who fain “wisdom and discernment” apart from Your deepest desires for ALL Your people.

**So, how do I do this?**

**Be united to those with whom I disagree?**

**How do I keep from taking sides or playing both ends against the middle? Find the common good?**

**How do I keep my own self-respect and healthy boundaries and extend to others the same right at the same time?**

*Based upon today's  
Wisdom Teachings and  
the season!*

**How do I move beyond today's "mood" to today's possibilities!**

**Where do I find the courage to resist those who use  
intellectualism to frame arguments to their best advantage,  
holding everyone else hostage!**

**How do I help someone bring their issues to You  
and to the community of faith?**

**This is tricky stuff Lord...and scary!  
Help me make meaning from my life, Lord.  
Knowing what I believe, help me believe in what I can do...  
I pray!**

**Please continue to come close...I continue to come close to you!  
At least, this is my prayer.**

**✧A Moment With God For Each Of Us...**

✧ You may wish to share with God all the voices calling you to do what you deeply do not want to do and ask for courage to resist; or you may share in gratitude a time you knew it was God calling you because of the new choices you were able to make that brought peace and freedom; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you.

Let there be some quiet. We will be "stilled" together  
for 5 minutes or so! You have time...go deeper...

**✧Kyrie**

**God welcomes all, strangers and friends;  
God's love is strong and it never ends.**

**✧Receiving God's Grace...*God With Us Always***

*Read these words!  
These may be the best  
words of all...just for  
you this morning!*

*MaryBeth will play once,  
please sing twice.*

*Hymnal #399*

*You are invited to light a prayer candle now and anytime in worship you hear a prayer lifted or answered.*

*Please substitute the word **God** for “He” and **Close** for “Down”.  
Please remain seated.*

*My prayer as I listen:*

Now,  
O Lord,  
Calm me into a quietness  
that heals  
and listens...  
and molds my longings  
and passions  
my wounds  
and wonderings  
into a more holy  
and human shape.

## ✧Rejoicing In God’s Divine Care

**Glory be to the Father, & the Son, & the Holy Ghost;  
As it was in the beginning, is now and ever shall be,  
world without end. As it was in the beginning, is now  
and ever shall be, world without end. Amen. A-men.  
Amen. A-men. Amen. A-men. A-men!**

## ✧\*Passing of the Peace...*Temenos!*

*Temenos is an ancient Greek concept of creating a safe space for others in which healing can take place in the midst of what is.*

### Held WithIn the Word

## ✧And the Children Will Lead The Way: Kids' Time...

## ✧Hymn of Prayerful Preparation #137 Hymnal

**“God Came Close”**

## ✧Bible’s Wisdom Teachings and Reflection

**All:** Thanks be to our God.

## Opening to God's Grace

### ✧ Affirming Our Faith With Intention

Because God is close and we are called to continue, my prayer for myself and others, affirming my God-centered worldview, is that you and I and each of us *continues...*

To be whom and how we are, to astonish a mean world with our acts of kindness; to allow humor to lighten the burden of our tender hearts...

*Continue*

In a society dark with cruelty to let the people hear the grandeur of God in the peals of our laughter; to let our eloquence elevate people to heights we had only imagined...

*Continue*

To remind the people that each is as good as the other and no one is beneath nor above you; to remember our own young years and look with favor upon the lost and the least and the lonely...

*Continue*

To put the mantel of our protection around the bodies of the young and defenseless; to take the hand of the despised and diseased and walk proudly with them in the high street that some might see and be encouraged to do likewise...

*Continue*

To plant a public kiss of concern on the cheek of the sick and the aged and infirm and count that as a natural action to be expected; to let gratitude be the pillow upon which we kneel to say our nightly prayer and let faith be the bridge we build to overcome evil and welcome good...

*Continue*

To ignore no vision which comes to enlarge your range and increase your spirit; to dare to love deeply and risk everything for the good thing...

*Continue*

To float happily in the sea of infinite Universal Love which set aside peace and joy for each of us before we even had a name and by doing so, entrusts our shared HOLY work *Continues* eternally!

Please call Patti at 630-674-1272 if you would like the Tippe Prayer Chain to lift a special prayer for you this week.

All prayers are confidential and shared with Pastor Karen.

## ✧ Quieting Ourselves For Prayer

## ✧ Sung Call To Prayer

**Spirit, You are here; Spirit, You are here;  
Spirit, You are here; we are here with You.**

## ✧ Pastoral Prayer and Lord's Prayer

**O Cosmic birther of all radiance and vibration,  
soften the ground of our being and carve out a space  
within us where your pleasure can abide.**

*(continues on next page)*

Fill us with your creativity so that we may be empowered to bear the fruit of your mission. Endow us with the wisdom to produce and share what each being needs to grow and flourish. Let each of our actions bear fruit in accordance with our desires. Untie the tangled threads of destiny that binds us as we release others from the entanglement of past mistakes. Do not let us be seduced by that which would divert from our true purpose, but illuminate the opportunities of the present moment. For you are the ground and the fruitful vision, the birth power and the fulfillment, as all is gathered and made whole once again.

#### ✧Offertory and Sung Response

**Hymn #146 Worship and Praise “We Are An Offering”**

#### ✧Prayer of Thanksgiving

#### ✧Preparation of the Table for World Wide Communion Great Prayer of Thanksgiving

Pastor: In this crossover moment, we open to a new perspective, full of new insights. God’s reality and our realities meet. We begin to see ourselves and our God in a new light. We step back from the way it has been and begin to see the way it can be....as the Holy silently spills into time, our time....and God comes ever closer. So close.

**People: In this crossover moment, where loss meets opportunity, waters part and the songbird sings, promise is fulfilled as belonging is confirmed.**

Pastor: In this moment of bread and wine, between prophecy and promise, heaven slips in and waits for us, offering us a clearer understanding of what it means to be at table together, to be one. *Here* is the bread of compassion!

**People: *Here* is the wine of the new “covenant of being”! Around table, we are the people gathered unlocking the mystery of faith! We crossover and open to change...together!**

*After the Words of Institution, please come forward, as you are able.*

*Be mindful of members whose step may be vulnerable.*

*If you wish to remain seated as you commune, we will gladly serve you.*

***Gluten free bread is served.***

*Those who come forward, please join in a circle of hearts and hands around the sanctuary connecting with those seated, creatively as necessary!*

*Please keep the circle on the inside of the columns so all can be seen.*

*As we commune, please join in singing from Worship and Praise, #134, "That We May Be Filled". MaryBeth will lead us to sing, hum, and listen.*

Pastor: We share in the feast of new and everlasting life! We lead. We follow! We follow the leading! Everything ordinary becomes extraordinary...for God uses all of life for good!

Let us join in giving God our praise affirming our faith, singing, singing from Worship and Praise, #134, "That We May Be Filled."

## Opening Ourselves to God's Grace

God's reign turns the world's conventional wisdom upside down! Praise be to our God! What a relief! The scriptures today help us to ask ourselves: How do I envision a world where the faithful do justice, love kindness, and journey humbly with God? Which paths of justice am I being called to follow...and what will get turned upside down in me and my personal world as I do?

It is safe for us to share our real joys and needs with our God who sees us as precious and loves us each by name. So, each with our own beloved story, let us lift our prayers silently to our God using the reflection on Page 4 to guide us. I will begin us.
