Welcome To Worship

June 14, 2020

Summer Rerun of November 17, 2019

The Longest Journey You Will Ever Make?
From your Head to your Heart!

Welcome to this time of being with God and each other.

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.
 In Christ, there are no strangers, only new and wonderful people to meet each day!
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary
 or fill out a pew card and drop it in the offering plate.
 Our pastor would be glad to call you or pay you a personal visit.
 Just let us know as you sign in...and take a Welcome Packet, too!
 Come back often. We care! We are open for faith! Affirming and open to all!*

Helpful Worship Information

We're Glad You've Come.

*This is a safe place, a sanctuary of worship and prayer,
 comfort and justice-seeking for all God's people and all
 are welcome here
 ...just as you are.*

Our church is a safe sanctuary for children.

We are proactive to protect our children with trained
 staff, enlightened volunteers,
 and aware congregants.

No concealed weapons of any type are allowed on
 Tippecanoe Church premises.

***Our children are invited to remain in worship
 with us. "Children's Wisdom Circle" is on break.***

***We ask children be accompanied
 by an adult at all times throughout
 our morning together!***

During worship, children are welcome to use a book,
 stuffed animal, or crayons and papers from the bottom
 shelf of the cart at the back of the sanctuary. We want
 the sanctuary to be home to them. Please return
 borrowed "goodies" to the cart after worship.

***When your child (1st grade and under) is restless,
 when you are, when those around you are...***
 you're/we're probably asking too much of everyone.
 Please let your child be in the nursery at times like this.

Infant through 1st Grade Care

is available all during worship down the stairs in the
 Cloud Room which is our "nursery."

In the order of worship, please note... the * indicates
 times to stand as you are able

Today in Worship

*We open our hearts and minds to the texts,
 confronting the radical nature of God's wisdom.*

***The Longest Journey You Will Ever Make?
From your Head to your Heart!***

*In Today's Wisdom Teachings we are invited
 to reflect upon our own rebuilding process.*

*Are we focusing on the right stuff?
 Are we ready for a new life possibility?
 Do we "be" heart people or head people?*

*Thanks for being here today!
 In deepest gratitude, we give God thanks
 for your presence with us in worship!*

WARNING...

If you take the Bible literally you may be
 disappointed here. We hope not, but we think you
 should know that we don't take *all* of scripture
 literally...any more than Jesus did,
but we DO take it all seriously.

As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.

As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.

God rejoices in your coming and meets you this morning in special ways that are meant just for you.

TODAY'S WORSHIP

33rd Sunday Of Ordinary Time

Preparing To Worship...

Why do we worship? Think on this...

Worship is a human activity, celebrated in the presentness of God...the Sacred, rather than praise required of us by God. And so the "goal" is to help us know (head in our heart) how we relate as individuals to ourselves, others, world, universe.

To celebrate that relationship! To touch sources of creative transformation! To reinterpret our experiences! To reaffirm living in this world which is indeed our sacred and worshipful work to do!

Gathering As God's People

*Based on words of
Paul Bane*

✧ **Becoming Present To God And Each Other**

One: There is a Sioux Indian saying: The longest journey you will make in your life is from your head to your heart.

All: The knowledge about God in my head can be a “far ways” from experiencing a loving God in my heart.

One: We each long to feel God present...in our hearts, in our souls, in our everyday being! Not just in our thoughts!

All: As we worship, may we stop over-thinking ...keeping God's presence at a distance. The journey to the heart is a quieting journey with no point of arrival. It's a constant process. We travel far without even having to budge...a comfort in sitting still. We find ourselves in a clear space where the world opens holding steady and true...if we pause in our hearts to sit without knowing!

Carrie Newcomer

✧ **Opening Ourselves To God's Grace**

*Today's prayer is based
upon our Wisdom
Teachings in Isaiah and
Luke.*

✧ **Sharing Our Inner Most Lives With God**

O Holy One, as You create a new heaven and new earth, You implore me *not* to build up my defenses in advance (because of fear or doubt or over-thinking) ...to trust that as I stay faithful and hold integrity, I will endure to a new reality. Instead, I am to go on the offense with courageous compassion leading me.

Thank God! I am so tired of trying to defend myself! Help me be released from strategizing how to survive my life rather than live it.

O God, life can be so difficult. Some days there are heartaches, confusion, sickness, disappointment. Sometimes, You seem far off and impossible to understand. So, help me...see myself as more than the situations I can manage or the things I can do. Help me unlock the mystery of your promise...to access the Christ Power within my heart!

*Sorta' mumble this to
yourself in God's
presence...or maybe
that's mumble it to God
finally becoming present
to yourself!*

*This is a corporate quiet
time with suggested
words!*

Help me remember I am not a “human doing” but a “human being”...and so help me “be” as You would have me “be” in this life of mine...able to engage holy pause allowing me to “be” in my courageous and compassionate heart! Lord, I ask it.

Read these words! These may be the best words of all...just for you this morning!

✧ **A Moment With God For Each Of Us...**

✧ You may wish to name with God a worry or trouble that is before you this morning; or you may share with God a new way of “being” compassionate that you are trying out and seek assurance; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you.

Let there be some quiet. We will be “stilled” together for 5 minutes or so! You have time...go deeper...

✧ **Kyrie**

**You are the Lord, giver of mercy.
You are the Christ, giver of mercy.
You are Lord, giver of mercy.**

✧ **Receiving God’s Grace...*God With Us Always***

✧ **Rejoicing In God’s Divine Care**

and ever shall be, world without end. Amen. A-men.
Amen. A-men. Amen. A-men. A-men**

✧ ***Passing of the Peace...*Temenos!***

Temenos is an ancient Greek concept of creating a safe space for others in which healing can take place in the midst of what is.

Opening to God's Grace

✧ Affirming Our Faith With Intention

How good it is to center down! To sit quietly and see one's self pass by! The streets of our minds see the endless traffic; our spirits resound with clashings, with noisy silences, while something deep within hungers and thirsts for the still moment and the resting lull.

With full intensity we seek, ere the quiet passes, a fresh sense of order in our living; a direction, a strong sure purpose that will structure our confusion and bring meaning in our chaos...the Universal Christ within us and in everyone and everything. Sshhh...

Opening Ourselves to God's Grace

As we begin to trust that we are truly one with our God of Belonging...where everyone and everything belongs, we become more self-aware, able to share more openly. We share with God our wants and needs, our challenges and concerns. Just in sharing, something within us shifts.

God's balm for healing is released as God's renewing energy guides us! We find our Christ Power within our hearts. This is our safe time and this is our safe place to share our real lives with our God.

So, now stop over-thinking it, take that breath...release yourself as you open to the Divine. Each with our life stories, framed by the feel tones of today's scripture stories, let us pray silently using the prayer on Page 4 to guide us.
