✧ Becoming Present To God And Each Other...Our Check-in:

How Are You As You Arrive...how is it with your spirit?

✧ Affirming Our Faith *With Intention* (Written by Albert Camus, adapted)

In the midst of hate, I find there is, within me, an invincible love. In the midst of tears, I find there is, within me, an invincible smile. In the midst of chaos, I find there is, within me, an invincible calm. I realize, through it all, that in the midst of winter, I find there is, within me, an invincible summer. And that makes me happy. For it says that no matter how hard the world pushes against me, within me, there's something stronger-something more courageous-something better, pushing right back.

✧ Opening Ourselves to God's Grace

✧ **Sharing Our Inner Most Lives With God** based on today's *Wisdom Teachings & Theme*

God, You may be inviting me to come to You, but I can hardly hear Your invitation because my life is yelling at me to...

God, You may want me to keep in mind all the things in my life for which I can rejoice, but so often I seem to focus instead on...

God, I give thanks and praise for the things in my life that are honorable and pure and just. Help me...right through my resistance...to...

God what I need most from You today is...

◆ You may wish to name with God how you feel uninvited in your life; or you may share with God how you are beginning to find a new sense of belonging, a new spirit of rejoicing; or you may simply invite Jesus to come sit beside you this morning shining his healing light all around you.

I used to think the power of words was inexhaustible...
that how we “said” the world was how it was, and how it would be.

I used to imagine that word-sway and word-thunder would silence ‘the Silence’
...that “worlds” were the Word...
that language could lead us inexplicably to grace, as though it were geographical.

I used to think these things when I was young.

I still do.

- ❖ **Benediction...*Becoming a Living Blessing***

*What goes with you as life giving from our shared time? What is helpful?
Do you have a new idea to ponder? Do you have a better question to be asking?*

- ❖ **Our Response**

Holy One, now we your servants go in peace. Your word lives on in us.
