How Are You As You Arrive...how is it with your spirit?

~The Joy of Passing the Peace~

✧ **Gathering as God's People** (excerpted from Psalm 106, Nan Merrill, *Psalms for Praying*)

**Awaken us to the Oneness of all things,
to the beauty and truth of Unity.
May we become aware of the
interdependence
of all living things,
and come to know You in everything,
and all things in You.
For as we attune to your Presence within us,
we know not separation,
and joy becomes our dwelling place.**

✧ **Opening Ourselves to God's Grace**

✧ **Sharing Our Inner Most Lives with God** *adapted from "The Worship Sourcebook"*

God of love, God of joy, God of life,
we come to you as a people hungry for good news.
We have been so dead to miracles
that we have missed the world's rebirth.
We have preoccupied ourselves with pleasures
and have overlooked the joy you offer us.
We have been so concerned with making a living
that we have missed the life you set among us.

Sometimes it feels like we are walking alone
and don't know how to keep going on.

Help us open our eyes and our hearts to receive your gifts,
the little miracles that surround us each day.
Help us use our voices and hands to share these gifts with others.

Lord, we ask it.

✧ *You may wish to name with God the good news you are longing to hear; or you may share with God a place where joy feels absent...or abundant in your life; or you may simply invite Jesus to come sit beside you shining healing light all around and through you.*

Death will be no more;
mourning and crying and pain will be no more.”

Remembering All The Saints...Out Loud!

Please ring all our bells as we share and then sing the music video: “For All the Saints”

✧To Deepen Our Reflection (Excerpt from **BODY AND SOUL, Coleman Hawkins)**

I used to think the power of words was inexhaustible...that how we “said” the world was how it was, and how it would be. I used to imagine that word-sway and word-thunder would silence “the Silence”...that “worlds” were the Word...that language could lead us inexplicably to grace, as though it were geographical. I used to think these things when I was young. I still do.

✧Benediction...*Becoming a Living Blessing*

*What goes with you as life-giving from our shared time? What is helpful?
Do you have a new idea to ponder? Do you have a better question to be asking?*

✧Our Response

Holy One, now we your servants go in peace. Your word lives on in us.
