One: This is our cross over moment! If not now, tell me when!

All:

Within the spirit of Thanks-giving gratitude, Lord...as we complete another journey around the sun, we take Your powerful circle of hope into our lives...for we are Your people...we believe as Jesus taught us to believe.

We live in the fullness of Your reign. We take Your circle of hope into the places of responsibility to which You call us.

We believe in You believing in us. You are our “King/Queen”. We are Your people...a living love, the Community of Hope! You reign here in our hearts!

✧ **Sharing Our Wisdom**

✧ **Opening Ourselves to God's Grace**
✧ **Sharing Our Inner Most Lives with God**

Lord God, I long for Christ's reign on earth: the poor and the powerless will get a fair deal. I long for Christ's reign on earth: the vulnerable ones will gain confidence. I long for Christ's reign on earth: those controlled and restricted will be free. I long for Christ's reign on earth: the faithful will be joy-full and active in community.

(Go deeper...)

While I too suffer life in these ways from time to time, Lord, I know there are so many in the world far more desperate and alone than I am. So where I lack sensitivity and involvement in the lives of others who deeply need You, reign in me. Open me to real initiatives of compassion and participation.

(Go deeper...)

When I don't know "what it is that I do", reign in me and bring me awareness and the courage to change how I see things and do things. Help me "be" one with You and Your deepest desires for our world.

(Go deeper...)

As You are saying YES! to me, help me say YES! to You! Guide me to be a part of your new, coming reign. Forgive me...I know what you give for me....and so, please guide me. Lord God, Spirit, my Savior...our King, I ask it.

✧ You may wish to name with God where you feel powerless, vulnerable, or restricted and ask for guidance; or you may share with God a new initiative in your life on behalf of yourself or others and ask for courage to guide you as God reigns anew in you; or you may simply invite Jesus to come sit beside you shining his healing light all around and through you.
