Lent 2016:
“Time After Time”

Welcome to this time of being with God and each other.

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.
 In Christ, there are no strangers, only new and wonderful people to meet each day!
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary
 or fill out a pew card and drop it in the offering plate.
 Our pastor would be glad to call you or pay you a personal visit.
 Just let us know as you sign in...and take a Welcome Packet, too!
 Come back often. We care! We are open for faith! Affirming and open to all!*

Helpful Worship Information

We're Glad You've Come.

*This is a safe place, a sanctuary of worship and prayer,
 comfort and justice-seeking for all God's people and all
 are welcome here
just as you are.*

Our church is a safe sanctuary for children..

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

Our children are invited to remain in worship with us.

We ask children be accompanied by an adult at all times throughout our morning together!

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them.

When your child (1st grade and under) is restless, when you are, when those around you are...

you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this. Please return borrowed "goodies" to the cart after worship.

Infant through 1st Grade Care

is available all during worship down the stairs to the right to the "nursery."

In the order of worship, please note... the * indicates times to stand as you are able.

Today in Worship

*We open our hearts and minds to the texts,
 confronting the radical nature of God's wisdom.*

"Time After Time"

Today's wisdom teachings lift up this reality: each of us has the option to despair and give up in the moment.....even Jesus. But there is another option: to trust God and live powerfully. God promises us "more". How do we live into the promise?

How did Jesus?

We take heart and stand courageous.

We find ourselves

"Time After Time"

within God's mercy and care!

Thanks for being here today!

In deepest gratitude, we give God thanks

for your presence with us in worship!

WARNING....

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally.... any more than Jesus did, *but we DO* take it all seriously.

As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.

As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this invitation to center yourself.

God rejoices in your coming and meets you this morning in special ways that are meant just for you.

TODAY'S WORSHIP

Second Sunday of Lent

Why do we worship? Think on this...

Worship is a human activity, celebrated in the presentness of God...the Sacred, rather than praise required of us by God. And so the "goal" is to help us know (head in our heart) how we relate as individuals to ourselves, others, world, universe.

To celebrate that relationship! To touch sources of creative transformation! To reinterpret our experiences! To reaffirm living in this world which is indeed our sacred and worshipful work to do!

#### ✧Affirming Our Faith *With Intention*

I give myself to God...time after time!  
God will use me to accomplish great things  
on the condition I believe much more  
in God's love than in my weakness.

#### ✧Bible's Wisdom Teachings

**Sirach 4: 20** - Watch for the opportune time, and beware  
(of evil), and do not be ashamed to be yourself.

**Romans 13:11** - Besides this, you know what time it is, how it is now the moment for you to wake from sleep. For salvation is nearer to us now than when we became believers; the night is far gone, the day is near.

**2 Corinthians 6: 2** - Christ says, "At an acceptable time I have listened to you, and on a day of salvation I have helped you." See, now is the acceptable time; see, now is the day of salvation.

### ✧ **Bible's Wisdom Teaching: Luke 13:31-35**

One: This is the way our story is told.  
God speaks to us anew through ancient stories.  
All: **Thanks be to our God!**

### ✧ **Prompting**

*"Time After Time..."*

*"An Opportune Time for Courageous Love!"*

Pastor Karen Hagen

### ✧ **A Moment Of Personal Reflection...**

~As my reflection after Your prompting Lord, I feel You inviting me to...

*How do you recognize an opportune time when it is upon you? What is the "shame within" (the challenge, fear) keeping you from doing what you know it is time to do?*

*What does salvation mean to you? How is salvation nearer...if it is? Is it indeed here, all the time?*

*How is it that this just may be the acceptable time...time after time?*

*Let there be some quiet.*

*Deeply hear this invitation.  
A silent prayer for each of us based on our Wisdom Teachings*

### ✧ **Special Music Affirming God's Constant Care**

#### Opening to God's Grace

### ✧ **Opening Ourselves To God's Grace**

### ✧ **Sharing Our Inner Most Lives With God**

Loving God, You come to me powerfully in Jesus...seeing my needs and going with me wherever life takes me, "today, tomorrow, and the next day". I know this, yet I often fail to see possibility in the moment, that my life can be different!

Help me find my courageous love *time after time.*

Loving God, You make wonderful promises about all life can be for me. Yet I often won't believe in Your promises or in myself for that matter! ...and so I put my trust in all the wrong people and places rather than be gathered under Your wing when I so need to know I do indeed belong.

Help me find my courageous love *time after time*.

Loving God, in Jesus You go to great lengths to demonstrate the depth of Your love and protection. Yet I often am not willing to receive the shelter and protection Jesus offers. I find myself thinking I know best or can go it alone....

Help me find my courageous love *time after time*.

Lord, I ask it.

*(Release a sigh...)*

*Let this invitation to personal sharing move you toward the Divine. Contemplate the mystery!*

✧ You may wish to name with God a life situation in which you need to take heart and let yourself belong within God's powerful love; or you may share how you are already feeling stronger and, in deep appreciation, able to live into timeless possibilities of new life; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you.

### ✧ **A Moment With God For Each Of Us....**

Let there be some quiet. We will be "stilled" together for 5 minutes or so! You have time....go deeper....

*Please sing twice.*

*By Richard Bruxvoort-Colligan, adapted. Used with permission, Worldmaking Music*

### ✧ **Kyrie**

**Lift your heads, raise your eyes, look around,  
Our time has come, Our time has come....  
Light the world, heal the earth, bear the Christ,  
Our time has come! Our time has come!**

## Opening Ourselves To God's Grace

When we have something we want to change in our lives, we often affix that goal to some point in the future and work towards it. Yet in doing so, do we sometimes put what we want out of our reach...maybe unconsciously on purpose? And sometimes...we use the past as an excuse not to be in the present and open ourselves to possibility.

Deeply we know the present moment is the genesis for anything new to happen. Time after time, all the time, what we need most can only happen right now. This genesis in the present moment, this inward movement of the soul begins as you stop spiraling out of control in your daily living and scheduling and emotionality....*and intentionally belong in the moment!*

It's Lent. There is time. Take this time...for we do indeed belong to each other within God's deepest embrace...now...and time after time for all time to come!

Let us slow our minds, draw near to God. Each with our own beloved story,  
let us **SILENTLY** lift our prayers to our God  
using the written prayer on page 6 to guide us.

---
