“We Are The World!”

“There comes a time when we hear a certain call...
when the world must come together as one!”

Welcome to this time of being with God and each other.

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.
 In Christ, there are no strangers, only new and wonderful people to meet each day!
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary
 or fill out a pew card and drop it in the offering plate.
 Our pastor would be glad to call you or pay you a personal visit.
 Just let us know as you sign in...and take a Welcome Packet, too!
 Come back often. We care! We are open for faith! Affirming and open to all!*

Helpful Worship Information

We're Glad You've Come.

*This is a safe place, a sanctuary of worship and prayer,
 comfort and justice-seeking for all God's people and all
 are welcome here
 ...just as you are.*

Our church is a safe sanctuary for children..

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

Our children are invited to remain in worship with us.

We ask children be accompanied by an adult at all times throughout our morning together!

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them.

When your child (1st grade and under) is restless, when you are, when those around you are...

you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this. Please return borrowed "goodies" to the cart after worship.

Infant through 1st Grade Care

is available all during worship down the stairs to the right to the "nursery."

In the order of worship, please note... the * indicates times to stand as you are able.

Today in Worship

*We open our hearts and minds to the texts,
 confronting the radical nature of God's wisdom.*

"We Are the World!"

"There comes a time when we hear a certain call
 When the world must come together as one!"

We gather to celebrate the power we have to be the change in the world we long to see!
 We will ask our questions, embrace the challenges, discover inner resources and explore new skills needed as we worship and come together as interfaith community!

Today, our *Wisdom Teachings* we hear how blind we become to the consequences of our own choices and how we are harmed in ways beyond daily life. Yet, we also hear of God's faithful devotion to our cause and continual invitation to be God's people....raised up...as on eagle's wings. As we reflect on the gifts God has graciously given, we look at how we are to share them for our own well-being as well as for the community's.

Thanks for being here today!

*In deepest gratitude, we give God thanks
 for your presence with us in worship!*

WARNING....

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally.... any more than Jesus did, *but we DO* take it all seriously.

As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.

As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this photo and reflective question to center yourself.

God rejoices in your coming and meets you this morning in special ways that are meant just for you.

TODAY'S WORSHIP

Twenty-sixth Sunday in Ordinary Time

Why do we worship? Think on this...

Worship is a human activity, celebrated in the presentness of God...the Sacred, rather than praise required of us by God. And so the "goal" is to help us know (head in our heart) how we relate as individuals to ourselves, others, world, universe.

To celebrate that relationship! To touch sources of creative transformation! To reinterpret our experiences!

To reaffirm living in this world which is indeed our sacred and worshipful work to do!

"We Are the World!"

*"There comes a time when we hear a certain call
When the world must come together as one!"*

### ✧ Becoming Present To God And Each Other

One: We celebrate diversity in our unity. We are not of one mind, but one spirit! We are a microcosm of the world for we are all much more alike than we are different.

**All: We are the change we long to see in the world!  
With reverence, mutual respect, and a living  
gratitude, we proclaim: We are the world!**

### ✧\*Gathering Hymn

#### **"We Are The World"**

**There comes a time when we hear a certain call  
When the world must come together as one  
There are people dying and it's time to lend a hand  
To life the greatest gift of all.**

**We can't go on pretending day by day  
That someone, somewhere will soon make a change  
We are all part of God's great big family  
And the truth, you know, love is all we need.**

#### ***Chorus:***

***We are the world, we are the children.  
We are the ones who make a brighter day  
so let's start giving.  
There's a choice we're making,  
we're saving our own lives.  
It's true we'll make a better day, just you and me.***

**Well, send them your heart so they'll know  
that someone cares  
And their lives will be stronger and free  
As God has shown us by turning stones to bread  
And so we all must lend a helping hand.**

#### ***Chorus***

**When you're down and out, there seems no hope at all  
But if you just believe, there's no way we can fall  
Well, well, well, well, let us realize that a change  
can only come  
When we stand together as one.**

***Chorus x 2***

*Listen once. Enjoy  
singing twice!*

*You are invited to agape  
Bread and to light a prayer  
candle now and anytime in  
worship you hear a prayer  
lifted or answered.*

*Feel free to write in the  
margins! Use this space  
for your personal  
reflections!*

## ✧ **Affirming Our Faith *With Intention***

**Called to be thankful: We celebrate God's grace in worship, reflection, and action; nurture personal discipleship through education, prayer, and fellowship; and reach out with healing into a world seeking peace and justice. We welcome people of diverse backgrounds, lifestyles, beliefs, and relationships with God to join us on this journey.**

## ✧A Moment Of Personal Reflection...

### Opening to God's Grace

#### ✧Opening Ourselves To God's Grace

#### ✧Sharing Our Inner Most Lives With God

So, there's this big chasm between the rich man in Hades and poor Lazarus in Heaven. Lord God, that chasm exists right here and now in this world...the chasm between rich and poor, liberal and conservative, religious and secular, heterosexual and homosexual, educated and undereducated ...the list goes on.

The chasm has been "fixed" there. No short cuts! No rescuing! You really *can't* rescue anyone else anyways!

I wish I didn't understand this, Lord God....because I do understand I am "needed" to see clearly, choose wisely, help myself, and reach out appropriately to others. And that's hard for me ...harder yet to know the way I do anything truly is the way I do everything!

Help me *find and keep* my healthy boundaries, *know* what I need to do for myself, *know* what I can and cannot do for others. Lord, do help me!

I want to use my faith in the everyday living of my life and so find myself renewed as I face life dilemmas and life celebrations. Lord God, One Breath, I ask it!

✧ You may wish to name with God a chasm you've noticed between yourself and someone else; or you may share with God a time you maintained your healthy boundaries, resisting the temptation to rescue or be rescued; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you.

#### ✧A Moment With God For Each Of Us....

Let there be some quiet. We will be “stilled” together  
for 5 minutes or so! You have time....go deeper....

*Please sing twice.*

Our time has come! Our time has come!**

### ✧Receiving God’s Grace....*God With Us Always*

### ✧\*Rejoicing In God’s Divine Care

**Glory be to the Father, & the Son, & the Holy Ghost;  
As it was in the beginning, is now and ever shall be,

### ✧ Sung Call To Prayer

**In this moment in the place, all is mystery all is grace.  
In this moment in this place, we are one.**

*Please choose one of the  
4 translations provided  
to read this day. We will  
begin together and end  
with our God.*

### ✧ Pastoral Prayer and Lord's Prayer

**Our Father who art in heaven, hallowed be thy name.  
Thy kingdom come, thy will be done, on earth as it is in  
heaven. Give us this day our daily bread; and forgive us  
our debts as we forgive our debtors; and lead us not into  
temptation, but deliver us from evil. For thine is the  
kingdom and the power and the glory, forever. Amen.**

*As you experience this  
prayer:  
What strikes you?  
Delights you?  
Captures attention?  
Surprises?  
Sits alongside what you  
already know with ease  
and what barely can sit  
there at all?*

***O Breathing Life, your Name shines everywhere!  
Release a space to plant your Presence here.  
Envision your "I Can" now.  
Embody your desire in every light and form.  
Grow through us this moment's bread and wisdom.  
Untie the knots of failure binding us,  
as we release the strands we hold of others' faults.  
Help us not forget our Source,  
yet free us from not being in the Present.  
From You arises every vision, power, and song,  
from gathering to gathering.  
Amen: May our future actions grow from here!***

*Continued on the next page...*

**Radiant One: You shine within us, outside us—even darkness shines—when we remember. Focus your light within us, make it useful...as the rays of a beacon show the way. Create your reign of unity now through our fiery hearts and willing hands. Let all move together in your vortex, as stars and planets swirl through the sky. Give us the food we need to grow through each day, through each illumination of life's needs. Forgive our hidden past, the secret shames, as we constantly forgive what others hide. Help us not forget our Source, yet free us from not being in the Present. Out of You, the astonishing fire, the birthing glory, returns light and sound to the cosmos. Truly—power to these statements—May they be the ground from which all my actions grow: Sealed in trust and faith.**

***Birther! Father-Mother of the Cosmos, Focus your light within us –make it useful. Create your reign of unity now—Your own desire then acts with ours, as in all light, so in all forms. Grant what we need each day in bread and insight. Loose the cords of mistakes binding us, as we release the strands we hold of others' guilt. Don't let surface things delude us, but free us from what holds us back. From You is born all ruling will, the power and the life to do, the song that beautifies all, from age to age it renews. Truly—power to these statements—May they be the ground from which all my actions grow. May it be so.***

### **Giving Thanks To God**

#### **✧Offering Ourselves**

✧In Thankfulness  
With Energized Commitment!

#### **✧Offertory and Sung Response:**

**Hymn #146 Worship and Praise "We Are An Offering"**

**“We lift our voices,  
we lift our hands,  
We lift our lives up to You!  
We are an offering,  
we are an offering.”**

#### **✧Prayer of Thanksgiving**

## Sending Forth With Blessing

### ✧\*Departing Hymn

**“Let There Be Love and Peace On Earth”**

**Let there be love on earth  
And let it begin with me.  
Let there be peace on earth  
The peace that was meant to be.  
With God as our maker  
Children all are we.  
Let me walk with my neighbor  
In perfect harmony.**

**Let love begin with me  
Let this be the moment now.  
With every step I take  
Let this be my solemn vow.  
To take each moment  
And live each moment  
With peace eternally.  
Let there be peace on earth,  
And let it begin with me.**

### ✧\*Benediction

***...Our Affirmation and Invitation

### One:

We open our most precious lives to holy conversation with the One who is love and light and laughter...who also holds our sorrow, pain, and confusion.

We open to God's care...trusting we are safely held, heard, and will be renewed.  
We begin to listen for wisdom.

So...slow your mind, open your courageous heart, and draw near to Holiness.

Each with our own beloved story,  
let us **SILENTLY** lift our prayers to our God  
using the written prayer on page 6 to guide us.
