Media Release & Field Trip Permission

Tippecanoe Church is located in a beautiful neighborhood and we frequently take nature walks in the surrounding neighborhood to enhance and solidify the concepts taught in the classroom. Please note children are always supervised with their team of qualified teachers throughout this experience.

Additionally, due to the nature of the Arts & Science Literacy Camp (ASLC), and honestly the fun we have, photos and videos are taken all the time. We love showing off what we do and how awesome and smart your child is. Please support this process of sharing the fun and enjoyment we have as a group by allowing us to feature your child and the activities we pursue in mediums such as; Facebook, Instagram, websites, brochures, grant paperwork, and advanced training documents.

By signing below you are allowing Tippecanoe Church and ASLC to take your child on supervised neighborhood walking field trips and using their image in media-related release activities.
