*Trading Awarenesses:
Migrations Of The Soul*

Welcome to this time of being with God and each other.

*On a spiritual quest? Reached a tipping point? Reach out to Tippe! You are important to us.
 In Christ, there are no strangers, only new and wonderful people to meet each day!
 If you are visiting today, please be sure to sign our Guest Book at the back of the sanctuary
 or fill out a pew card and drop it in the offering plate.
 Our pastor would be glad to call you or pay you a personal visit.
 Just let us know as you sign in...and take a Welcome Packet, too!
 Come back often. We care! We are open for faith! Affirming and open to all!*

Helpful Worship Information

We're Glad You've Come.

*This is a safe place, a sanctuary of worship and prayer,
 comfort and justice-seeking for all God's people and all
 are welcome here
just as you are.*

Our church is a safe sanctuary for children..

We are proactive to protect our children with trained staff, enlightened volunteers, and aware congregants.

No concealed weapons of any type are allowed on Tippecanoe Church premises.

Our children are invited to remain in worship with us.
We ask children be accompanied by an adult at all times throughout our morning together!

During worship, children are welcome to use a book, stuffed animal, or crayons and papers from the bottom shelf of the cart at the back of the sanctuary. We want the sanctuary to be home to them.

When your child (1st grade and under) is restless, when you are, when those around you are...
 you're/we're probably asking too much of everyone. Please let your child be in the nursery at times like this. Please return borrowed "goodies" to the cart after worship.

Infant through 1st Grade Care

is available all during worship down the stairs to the right to the "nursery."

In the order of worship, please note... the * indicates times to stand as you are able.

Today in Worship

*We open our hearts and minds to the texts,
 confronting the radical nature of God's wisdom.*

"Trading Awarenesses: Migrations of the Soul"

This is a season of change and possibility...
 as the leaves change and birds flock to migrate. We become newly attentive and see we are indeed one with nature for ours is a Cosmic Christ! And so our awareness shifts with the season and soul-full-ness expands...
if we let it!

Today's Wisdom Teachings call us to examine who it is that makes life possible and what it is that may be blocking us from God's possibilities. In God all things are possible....even passing through the eye of a needle....because that's how much God loves us and that's how close Jesus is to our lives! As we wrestle with these issues, we're invited to...

Trade Awarenesses and note our Souls' Migration!

*Thanks for being here today!
 In deepest gratitude, we give God thanks
 for your presence with us in worship!*

WARNING....

If you take the Bible literally you may be disappointed here. We hope not, but we think you should know that we don't take *all* of scripture literally....
 any more than Jesus did,
but we DO take it all seriously.

As you enter, please use this time to greet friends, welcome newcomers, and join in the spirit of community.

As the music begins, gift yourself a few moments of quiet perhaps becoming present to your own life -- your desires and needs and joys. Perhaps using this prayer to center yourself.

God rejoices in your coming and meets you this morning in special ways that are meant just for you.

TODAY'S WORSHIP

*Eighteenth Week After Pentcost
~ Ordinary Time ~*

Now,
O Lord,
Calm me into a quietness
that heals
and listens...
and molds my longings
and passions,
my wounds
and wonderings,
into a more holy
and human shape.

### ✧ Becoming Present To God And Each Other

One: This season, we gather again in a holy place, a divine space...where peace is spoken.

**All: Where grace is freely shown and each is specially known!**

One: We believe we are no longer who we use to be! We trade awarenesses and honor the season's call to soul-full-ness....letting our lives migrate to new places within and beyond ourselves!

**All:**

*We contemplate the beauty of the earth...  
and find reserves of courage  
that will endure as long as life last.*

*There is symbolic as well as actual beauty  
in the migration of the birds,

*There is something infinitely healing

**Every  
day that I live  
becomes more meaningful,  
more fulfilled, and, for me, much  
more enriching. Time is too short. So  
I'm trading awarenesses; inviting my soul  
to revelations of the love of God which life has  
given me: amazing new insights, new visions, new  
possibilities, new dimensions of human living, new  
relationships with people around me, new depths of  
concern, of agony, and of joy which make my life  
--yes, I can truly say it—so deeply meaningful  
that I'm eager when I go to bed at night to

## ✧ A Moment Of Personal Reflection...

### Opening to God's Grace

#### ✧ Opening Ourselves To God's Grace

#### ✧ Sharing Our Inner Most Lives With God

"My God, my God, why have you forsaken me? Why are you so far from helping me, from the words of my groaning? O my God, I cry by day, but you do not answer; and by night, but find no rest."

*God, there are times my life feels just like  
these words from the psalmist!*

"I am scorned by others and despised by the people who mock me. They make mouths at me, they shake their heads and they taunt me saying, 'Let God rescue the one in whom he delights!'"

"God, you have been my God since my mother bore me."

"Do not be far from me, for trouble is near and there is no one to help. I am poured out like water and my heart is like wax. It is melted within my breast.  
O my help, come quickly to my aid!"

*God, bring Your guidance to me like You did to people long ago!  
I am here doing the best I can with the life I have....  
sometimes with little support from others!  
Let me trust You know this and are close by helping!  
Help me know what You would have me do.*

*O Merciful One, this is my prayer for awareness.  
You hear my prayer.  
(Release a sigh...)*

---

✧ You may wish to name with God a situation in which you feel alone...where God feels far away; or you may share your feelings about being mocked by others; or you may simply invite Jesus to come sit beside you in the pew this morning shining his healing light all around and through you.

## ✧ A Moment With God For Each Of Us....

Let there be some quiet. We will be "stilled" together  
for 5 minutes or so! You have time....go deeper....

MaryBeth will play the  
tune once, then sing twice,  
starting softly and building  
to our full voices.

## Opening Ourselves To God's Grace

Psalm 22 serves as our guide to a time of personal conversation with God. It's tone is dramatic, seeming to overstate the dire situations the psalmist is living through...persecution, self-denigration, alienation. But then again, we, too, are prone to be overdramatic from time to time! Especially when perplexed. And sometimes, we aren't being over dramatic at all!

So, either as it reflects your life's situations or as you see it capturing the life experiences of others, let the psalmist's words speak to you this morning.

As best we can, let us approach God as the psalmist did, sharing our real feelings about our real challenges. Knowing as we do just this, we are no longer who we use to be.

Awareness shifts. Souls migrate. We are on our way...being changed one act of love and compassion at a time.

So, take a breath. In our common voice, let us **SILENTLY** lift our individual life stories to our God.
